

From Winter into Spring ~ A Season of New Beginnings Is Upon Us!

Greetings from PA Lions Beacon Lodge Camp!

There is something about this time of year that quietly reminds us why we do what we do. The days are getting longer. The mountains are still. And behind the scenes, the people who love this camp have been working hard to make sure that when the gates open this summer, Beacon Lodge Camp is stronger, more sustainable, and more ready than ever to serve the campers, veterans, and families who count on us.

We have a lot to share, and we think you'll be encouraged by what's ahead.

January & February Highlights

A Stronger Foundation: Program Restructuring Update

Over the past several months, Beacon Lodge Camp has undergone meaningful organizational changes designed to ensure long-term sustainability. We have optimized our program structure, clarified roles across our team, and put the right people in the right seats so that every decision we make from here forward is grounded in both mission and financial responsibility. This is the kind of behind-the-scenes work that doesn't always make headlines, but it makes everything else possible.

New Pricing for Camp Programs

Beacon Lodge Camp has implemented updated program pricing that reflects the true cost of delivering life-changing camp experiences. For years, our pricing did not cover the actual cost of serving our campers, creating a gap that quietly threatened our ability to operate. These updates are not about generating profit. They are about ensuring that we are here next summer and the summer after that. Sustainable pricing means a sustainable mission.

New Rental Booking System

We are pleased to introduce a streamlined rental system for our off-season facility use. Groups, businesses, organizations, and families can now more easily reserve Beacon Lodge Camp for retreats, meetings, reunions, and events from September through May. This is a meaningful new revenue stream that supports camp operations year-round, and we'd love your help spreading the word in your communities.

Registration is Now Open for Summer 2026!

Camp season is coming, and we are ready for it. Registration is officially open for all of our specialized summer programs, including Camp Liberty, Camp ConnXions, Camp Sensational, Camp AD(H)Dventure, Camp Empower, Camp Felicity, Camp Perception, Camp L.E.A.P., and Project New Hope. If you know a camper, family, or veteran who belongs here, now is the time to connect them.

Resources & Ways to Support

This camp was built by people who believed that every person — regardless of ability — deserves a place to belong, grow, and be celebrated. That belief hasn't changed in 75 years. And with your continued support and stewardship, it won't change in the next 75 either.

Coming in March!

Veterans Memorial Fundraising Campaign — Launching Soon

Something meaningful is on the horizon for our veteran community, and we're excited to share it with you next month. In March, we will be launching a Veterans Memorial fundraising initiative here at Beacon Lodge Camp. This is a project rooted in healing, honoring service, and creating something lasting for the veterans and families who find their way to us through Project New Hope. Stay tuned and start thinking about who in your community might want to be part of it.

Thank you for being part of this important mission and for carrying Beacon Lodge Camp home to your communities.

With gratitude,

The Beacon Lodge Team
