

## **Journey for Sight Walk February 2022 Cabinet Report**

Dear Lions, Lionesses and Leo Club Members,

We are hoping that this report finds everyone well. We have finalized the contract with the Lehigh Valley Mall for our 2nd Journey for Sight Walk to be held on Saturday, May 7th, 2022. Registration will be at 8:00 a.m. with an informal walk from 8:30 to 9:30 inside the Lehigh Valley Mall.

We would appreciate your support in promoting this event. Please ask all of your club members to share this event with your friends, neighbors, business acquaintances, young friends and personal eye doctors and opticians. This walk is open to the public. We encourage everyone to invite your supporters.

Please begin to form your teams. If your club submits a donation you may do a 70% to the district's and 30% to stay in your Club to use on one of the Lions Charities. Please continue to support the Lions Club project to the best of your club's ability. We would like to encourage all clubs to consider a donation to this walk that will benefit the Pennsylvania Sight Conservation and Eye Research Foundation and Leader Dog, especially if you have not been able to do so in the past. Also, understanding that many clubs have still had to cancel many fundraisers and are being conservative on their donations. Leader Dog is still training dogs for the blind, that we support. Research still continues to find treatments and cures for a variety of eye related diseases and situations. If your budget allows at this time you may make that donation to the district as a sponsor for our next walk. All

money raised will be split between the two organizations. We are open to any suggestions you may have to make this a successful Venture for Lions.

Donations would be written out to District 14 - K Lions and may be sent to Lion Kathy Fenstermacher, 3180 Apples Church Road, Bethlehem PA 18015.

Respectfully submitted,
