

OUR MISSION

Camp Freedom is an adventure camp for Disabled Veterans & First Responders, their family members, and Gold Star families providing quality hunting, shooting sports, fishing, camping, hiking, biking, and other year-round outdoor activities. These activities remove individuals from clinical settings into the healing environment of the outdoors and nature. They also promote the social well-being of the participants through peer to peer interaction, camaraderie, and outdoor adventures. Activities are led by Camp Freedom's Staff and experienced volunteers. Camp Freedom provides services to other nonprofits who have a similar mission for a collective impact.

OUR PROPERTY

The property at Camp Freedom covers 2,300 acres from the river bottom to the top of the mountain in Northeast Pennsylvania. The terrain is abundantly varied from thick mountain laurels to hardwood stands. The outdoor opportunities at Camp Freedom are endless in scope and as varied as the day is long.

Our property has populations of whitetail deer, black bear, turkey, grouse, coyote, fox, waterfowl, and more. We have two ponds that provide great fishing opportunities along with 2 ½ miles of access to the Lackawanna River for incredible trout fishing.

COME AND ENJOY AN EXPERIENCE OF A LIFETIME IN NORTHEAST PENNSYLVANIA'S GREAT OUTDOORS ON THE GROUNDS OF CAMP FREEDOM.

“

AN ORGANIZATION LIKE CAMP FREEDOM WILL CHANGE YOUR LIFE IF YOU GIVE IT A CHANCE. THEY REALLY DO CARE.”

Ben Wilkins,
U.S. Army, Major (Ret.)
