Convention Committee Wraps Up Past, Begins New Planning

The District 14-K Convention Committee met on Wednesday evening, July 29 at Christ U.C.C. Church on Airport Road.

It included a wrap-up meeting on the convention held this past April at the Holiday Inn Conference Center in Breinigsville, when any issues or concerns were addressed, and a kick-off meeting as we begin planning for the 2016 convention to again take place at the Holiday Inn.

The committee generally agreed that having the convention at the Holiday Inn was a resounding success. The accommodations were good, the staff very cooperative, and the food very good. One thing they may change is the location of the vendor displays and how long they may be set up. It was felt that, to give a better and longer view of them, that they be located in the hallway. And if possible, the displays will not be broken down until after lunch before the election so more people can see them for a longer time. Lions Silas Rodenbach will be contacting the vendors again with the assistance of PDG Linwood Gehris.

Lion Richard Schreiner said there were a couple persons who tried to write in a candidate in the April election. However, under the rules of procedure they would not

count. Notification has to be done seven days ahead of the convention. A disclaimer may be printed on the ballot so no one will try to write in a name or names.

Convention Date: April 2-3

Now to the kick-off portion of the July 29 meeting. The convention dates are Saturday and Sunday, April 2 and 3, 2016. DG Karen Brady said she has received an affirmative reply from International Director Kembra Smith of Georgia to be the keynote speaker.

PDG Tom Dieter will again serve as convention chairman. Other members of the committee include: Lion Karlene Laub, secretary; Lion David Daniel, treasurer; Lion Shirley Hawk, registration; Lion Schreiner, certification and election; Lion Wendy Naugle, seminars; PDG April Kucsan, Friday evening dinner with I.D.; 1st VDG Marsha Johnston, Saturday luncheon; IPDG Fred Folland, Saturday banquet; Lions Joanne Santee and Sherry Hillborn, hospitality, Lion Karlene Laub, necrology; PID Gene Polgar, parliamentarian; PDG Willard Kulp, protocol; PDG Linwood and Lion Gail Gehris, chaplain and song leader; Lion Judy Ott, Leos; Lion Ray Klein, sight conservation; PDG Dennis Butz, raffle; Lion David White,

Banner Exchange Was Joyous Event in Bethlehem Township

A large gathering of Lions and Lionesses from throughout District 14-K made it a wonderful time as the annual banner exchange between governors and their home clubs was marked on Wednesday, July 22 at the Bethlehem Township Community Center.

Taking part in the exchange were Immediate Past District Governor Fred Folland and club president Tracy Lynn McGowen of the Slatedale-Emerald Area Lions and our new District Governor Karen M. Brady and club president Gay D. Bowen of the Bethlehem Township Lions Club.

In her remarks following the exchange, DG Brady asked the audience, "What can you do to help Lionism? . . . Don't be shy, if you're interested, please help."

She said it is important that we save the existing clubs, as three of them dropped out in the past Lions year. She also expressed disappointment at

District Governor's Message

Ask Not What Lionism Can Do For You . . .

Hmmm. Let me change that thought. You have my permission to ask what Lionism CAN do for you. Some thoughts come to mind. Lionism can help you meet new people, perform good deeds that help others who are less fortunate, feel good about yourself while you are raising funds to help others, develop your leadership skills, and be a part of something bigger than yourselves, your club, and our district. Sounds pretty good, doesn't it? So why aren't we out there promoting Lionism to our families, friends and co-workers?

Our International president Dr. Jitsuhiro Yamada, is promoting the Ask 1 program again this year. This program has been proven to work, and it is a simple program. No training is required. Simply ask one person to join you in Lionism, preferably to join, but also to help with a service project or a fund raiser. If you ask them to help you, talk about Lions while you are working together. Tell them what your club does in the community. Talk about Lions Clubs International Foundation and the disaster relief program, or how funds donated to the Foundation have helped save the sight of many people in depressed countries. Smile while you are telling them about Lionism. Remember, we are the largest service organization in the world. But we are also the quietest. We need to change that. It's time to roar!

I'm writing this the morning after the Banner Exchange. My club, the Bethlehem Township Lions, did a wonderful job on this event! I'm thankful to all of them who helped make the event a real success! It was great seeing so many of the Lions in our district in attendance. You all make me proud!

Please mark your calendars for the District Rally. It will be held on Thursday, September 24 at the Northampton Memorial Community Center. Planning has already begun. This is always a fun event where you can talk to Lions, Lionesses, and Leos from other clubs. You might get ideas for service projects or perhaps you can plan to work with another club on a large project. The food is always good and the company is great! I realize the event is almost two months away, but I don't want anyone to miss it because they didn't have it on their calendar.

I mentioned the International Convention last month. It was a wonderful experience. Training was intense, but LCI provided material that was important as my class begins our year as District Governor. The convention was enjoyable. Next year's convention is in Japan, but the convention in 2017 is in Chicago, where the organization began in 1917. I'd recommend attending the international convention in 2017 to help celebrate the 100th anniversary of Lionism.

Thank you for all you do for others in the name of Lionism. Please continue to serve, and don't forget to Ask 1!

DG Karen

Support and Step Up For Our District

The new Lions year has begun and it is my pleasure to be working with DG Karen Brady. DG Karen has several goals for this year. She will need the support of the entire District. There are still some cabinet positions to be filled. Please consider stepping up to a position to make our district the best in Pennsylvania.

As 1st VDG, this is my year to learn as much as possible about our district. My plans are to partner with DG Karen for visitation nights, zone meetings, charter nights, installations, and other events you have planned. Being connected with each club will help me to serve you. Please stay in touch. Continue to forward those M&A forms to me. I do read them and make copies for my purposes.

There are some important dates that should be marked on your calendars. The first Cabinet meeting of the year is Saturday, August 22, 2015 at East Texas Park. The District Rally is September 24, 2015 at the Northampton Community Center. The Center for Vision Loss Needs Night is September 29, 2015, also in Northampton. The Taste of Shadows (a fund raising dinner for The Center for Vision Loss) is October 6, 2015 at the Green Pond Country Club. These are all wonderful events and I encourage your attendance.

DG Karen's theme this year is **Service Through Leadership**. Think about all of the opportunities we as Lions have to serve. Service and leadership make us a great organization.

Enjoy the rest of your summer.

Second Meeting Scheduled on Asset Transfer by N.E. Pa. Lions Eye Bank

A meeting of the membership of Lions clubs affiliated with the Northeast Pennsylvania Lions Eye Bank was held on Wednesday, July 22 at the Best Western Premier Central Hotel & Conference Center, 800 E. Park Drive, Harrisburg.

However, there was an attendance of less than 50 persons. Lacking a necessary quorum of 5,500 Lions, no official action could be taken on an issue regarding the transfer of assets from NEPLEB to SightLife of Washington, a non-profit corporation. There are nine Pennsylvania districts affiliated with the Northeast Pa. Lions Eye Bank, including Districts C, D, G, H, K, L, T, U, and W.

A second meeting at the same location will be held on Wednesday, August 19 at 7 p.m., when whoever is present will constitute a quorum.

A letter was sent out to all Lions early in July regarding the proposal, in compliance with the by-laws and organizational documents of the eye bank located at Jacksonville Road in Hanover Township, Northampton County.

The second paragraph indicated that it was the recommendation of a special committee formed by the board of directors identified as the SightLife Committee and the recommendation of the NEPLB board of directors that the membership be asked to enter into a Plan of Asset Transfer, which would approve the charitable affiliation between NEPLEB and SightLife.

These components are a part of the document:

- NEPLEB will transfer to SightLife its activities and programs as an eye bank together with all of the assets

currently used by NEPLEB to conduct such activities and programs.

- SightLife will assume from NEPLEB various debts and obligations including the payroll obligations of the employees that SightLife hires, accounts payable that are incurred in the ordinary course, and the future performance of the contracts that NEPLEB assigns to SightLife. Payment will be made, in full, on the outstanding mortgage on real property owned by NEPLEB.

- After the payment of the debts set forth above, NEPLEB will retain a charitable fund of \$5,000,000. This includes approximately \$25,000 in donor-restricted assets.

- NEPLEB will use the charitable fund for, among other things, paying certain costs and expenses incurred in the preparation, negotiation and completion of the affiliation. NEPLEB will remain responsible for certain claims or litigation. NEPLEB will also remain responsible for the liabilities and obligations that SightLife does not assume.

Both NEPLEB and SightLife are exempt from federal income taxation under Section 501(c)3 of the Internal Revenue Code of 1986.

NEPLEB promotes sight restoration, and provides corneal tissue for medical research, seeking cures for eye disorders and diseases. The organization was founded by members of Lions.

SightLife is a global health organization focused on eliminating corneal blindness. Its vision is to provide sight and hope to all in need through eye donation and corneal transplantation. They work in partnership with surgeons and health organizations around the world.

Reasons for Transaction

NEPLEB was established in 1957 here in District 14-K by then District Governor Walter Hicks. In its early years the eye bank had only a few donors per year. By the early 1990's, NEPLEB averaged more than 300 transplants a year. From 2004 to 2012, it was more than 2,000 transplants a year. Since then, however, transplant numbers have seen a steady decline, related to supply and demand issues, rising costs and greater competition.

Upon completion of the affiliation, NEPLEB will remain a Pennsylvania non-profit corporation. Its board, membership, articles of incorporation, and by-laws will remain the same. NEPLEB will retain sole ownership of the Charity Fund and will decide how to use it to further

the charitable purposes of NEPLEB. SightLife plans to offer employment to all or most of the employees of NEPLEB and employees who are offered and choose to accept employment by SightLife will receive credit for their past service.

Required Approvals

Board Approval. The NEPLEB board adopted a plan of asset transfer to SightLife on June 10, 2015.

Member Approval. The Plan must be approved by a vote of the members of NEPLEB who are present at a meeting that achieves a quorum. Since there wasn't a quorum (5,500) of members at the July 22 meeting, by Pennsylvania law, it had to be adjourned and a new date set, at which time those who attend the reconvened meeting will constitute a quorum. That date is August 14.

Attorney General Approval.

The affiliation also requires approval of the Attorney General of the Commonwealth of Pennsylvania. NEPLEB intends to submit its request at the same time that it is seeking approval of the members.

Orphan's Court Approval.

The affiliation also requires approval of the Orphan's Court. NEPLEB must and will notify the Attorney General of the Commonwealth of Pennsylvania.

The letter to the Lions also noted that if they still had any questions they could contact Atty. Steven Goudsouzian at 2925 William Penn Hwy., Suite 301, Easton, PA; via phone, 610-253-9171, or e-mail: SteveSNGLAW@gmail.com

Banner Exchange

receiving "no" to her requests that an office be filled on the executive committee.

But DG Karen has been buoyed up by the great amount of support she has received the past few years, and said she will continue to need it as the district moves forward in the Lions year 2015-2016 with her theme, "Service Through Leadership."

Lion Gary Bowen opened the program, followed by the singing of "America" and Pledge of Allegiance led by Lion Kathy Duellel. The invocation was offered by Lion Gail Gehris; Lions toast by Lion Bernie Keppel, and Bower introduced the head table. This was followed by a delicious buffet dinner, topped off by two commemorative cakes and cups of ice cream.

Officers Installed

Because some Lions, including a few of the executive committee, were in Harrisburg at the same time as the banner exchange due to the proposed affiliation of the Northeast Pennsylvania Lions Eye Bank with an organization called SightLife, DG Brady

installed these officers: 1st Vice District Governor Marsha L. Johnston and Cabinet Treasurer Lion David Daniel. Unavailable because of illness was Lion Cheryl A. Fatzinger, Cabinet Secretary. DG Brady also introduced Region III Zone "A" chairperson Paul Stout and Region III Zone "B" chairperson Ana Toolan.

Others on the executive committee are Immediate Past District Governor Fred Folland, advisor to the district governor; PDG Linwood Gehris, Global Leadership Team coordinator; Lion Debbie Lillegard, Global Membership Team coordinator; Region I Zone "A" chairperson Lion Joseph Sizer; Region I Zone "B" chairperson Lion Wendy Naugle; Region I Zone "C" chairperson Karlene Laub; and Region II Zone A chairperson Robert Zakos, Jr.

Two vacancies remain: 2nd Vice District Governor and Region II Zone "B" chairperson.

The first executive committee meeting will be August 18 at Christ UCC Church, Airport Rd. The annual District 14-K rally for all Lions, Lionesses and Leos will be on September 24 at the Northampton Memorial Community Center.

The July 22 program ended with the benediction pronounced by PDG Gehris and the singing of "God Bless America" led by Lion Duellel.

Alton Park Lions Boat Club Picnic

The Alton Park Lions held their annual "Boat Club Picnic" on Sunday, July 26 at the Bethlehem Boat Club for the blind and visually impaired clients of the Center for Vision Loss and local visually impaired children. This year's event had 100 people in attendance from age 3 to 97. One woman celebrated her birthday with us. Members from the Lehigh Valley Saturday AM Club made arrangements for visually impaired children to attend the picnic with their family members. The Alton Park Lion's kitchen staff and family members cranked out hamburgers, hot dogs and numerous sides. Everyone enjoyed their lunch while a solo artist performed some original and cover music. Then came the part that everyone was anticipating; a boat ride on the Lehigh River.

Members of the Bethlehem Boat Club graciously donate their time and boats to provide thrilling rides for the visually impaired and their families. People line the docks anxiously awaiting their turn on the boats. For many of these people, this was the first time they had ever been on a boat. It is a scary and unnerving time attempting to coax a visually impaired person to follow you down a steep set of steps to a dock and then trust that you will not let them fall in the water. They need to step over the water and onto a rocking boat; a task that would give sighted people cause to be nervous.

Clients of the Center for Vision Loss prepare to board their boats for a thrilling ride on the Lehigh River.

The fear on their faces is soon replaced with gigantic smiles as they cast off and venture on their way. The clients tell us that they look forward to the picnic every year. It is a tremendous social event and with limited access to transportation, it affords them the opportunity to spend a day with their friends.
