*District 14-K Communicating with Our Members*

Vol. XXX, No. 2

August 2016

## First Cabinet Meeting Aug. 20 in Bethlehem Township

All members of District 14-K - Lions, Lionesses and Leos - are invited and encouraged to attend the first Cabinet Meeting of this Lions year 2016-2017 on Saturday morning, August 20, at the Bethlehem Township Community Center.

District Governor Marsha Johnston notes that this is a significant year in that we are celebrating 100 years of Lionism. International President Bob Corlew's theme is "New Mountains to Climb." He encourages Lions to honor our past and embrace our present, but that we must plan for our

future, laying out a trail for future generations, and preserve our tradition of service. We hold the "key to the future."

The breakfast starts at 9:00 a.m., and we are asked to arrive at the community center by 8:30 a.m. The breakfast buffet includes scrambled eggs, baked diced potatoes, bacon and sausage, blueberry pancakes, fresh fruit, coffee, juice, and Danish. All this for \$8.00.

The reservation deadline is Friday, August 12. Please make checks payable to Lions District 14-K and send

## District Governor's Message

### Governor's Travel to Japan Overwhelming

The International convention in Fukuoka, Japan was quite an experience. I had traveled to Japan before, but I found Fukuoka to be very urban - very similar to Philadelphia or other large cities. We were certainly welcomed. Everywhere you looked, there were banners welcoming us!

Those of you who have experienced an International Convention and District Governor training know that the entire prospect is overwhelming. I had no concept of what to expect. To my surprise, a large number of District Governors in my group were from the United States along with many of my fellow Governors from Pennsylvania. Governors from other countries were very friendly and contributed throughout all of our group discussions.

Lunch between our sessions provided an additional opportunity to meet and converse with District Governors from around the world. I particularly enjoyed my time with three District Governors who were from Norway, Sweden and Denmark. Since I visited those countries, we shared some of my favorite memories of their respective homelands.

You truly get a sense of the "International scope" of Lionism when you witness the parade and attend the different convention sessions. The convention venue was a huge indoor baseball stadium. As you comprehend how many folks are here, you begin to realize just how many less fortunate folks are being served worldwide. It's just phenomenal!

International President Bob Corlew's theme is **New Mountains to Climb**. As Lions in the United States, we certainly have mountains to climb with membership and leadership. When I visit your club, I will elaborate on this theme as well as the Centennial Celebration. There are many opportunities for clubs to increase service to the needy of our communities. Don't wait until my visit to begin your Centennial projects. Remember to choose from four main areas - **Youth, Hunger, Vision, and Environment**. Be sure to submit your activities to LCI so that your club is recognized for all you do!

It's a busy year for Lionism. I am excited to work with all of you. Together, let's have a fabulous year!

## Banner Exchanged

District 14-k's banner was exchanged in a ceremony on July 13 at Asbury United Methodist Church in Allentown.

It went from Bethlehem Township Lions Club, home club of IPDG Karen Brady, to the Upper Lehigh Lions Club, home club of our new District Governor Marsha Johnston. Also taking part in the exchange were Lion Kathleen Duelle, president of Bethlehem Township Lions, and Lion Karlene Laub, president of the Upper Lehigh Lions.

The program opened with the call to order by Lion Laub, who is serving the district this year as 2nd Vice District Governor. Lion Gail Gehris directed the audience in singing "America", followed by the invocation by 1st Vice District Governor Don Kaufman. Upper Lehigh Lions secretary Ed Beishline led everyone in the Lions Toast and protocol was established by PDG Willard Kulp.

After a dinner buffet and a drawing, the banner was exchanged.

IPDG Brady introduced the new District Governor, and told the audience all she has done and that she is a retired teacher from Northwestern Lehigh High School.

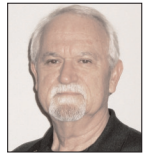

DG Johnston said, "It is a privilege to serve, a once in a lifetime opportunity," and she called upon all the members in the district to work now in preparation for Lions International's 100th anniversary this Lions Year 2016-2017, encouraging everyone to make their clubs succeed.

She then installed members of the executive committee and all the committee chairs on this year's cabinet.

Lion Kaufman pronounced the benediction and the program closed with the singing of "God

## 1st Vice District Governor's Message

### The Importance of Attending Zone Meetings

Lions:

It's a great time to be a Lion!

Enjoy those hot summer days, picnics with family and friends, vacations, or simply relaxing under the shade of a backyard tree. Before you know it the cooler weather of fall will be upon us.

It's the beginning of a new Lions year. Newly installed Club officers and District officers are busy setting their agendas in preparation for monthly meetings, fundraisers and upcoming special events. It would be smart to check the planned District activities against your Club schedule so there are minimal conflicts. Each club receives three copies of the District Directory, which contain the 2016-2017 district calendar.

There are important dates within your Region that should be noted like zone meetings. These meetings usually take place a few days after the District Cabinet meetings. Sharing ideas, promotion of the district, multiple districts, international club communications are a few of the benefits of attending zone meetings.

Who should attend zone meetings? First and foremost it's important that the District Governor's Advisory Committee be present. This committee includes club secretaries, presidents and zone chairpersons. Any club member, especially new members, would benefit attending zone meetings. The district governor's advisory committee is designed to foster dialogue on matters affecting all clubs in the zone, solicit recommendation from committee members and present recommendations to the District Cabinet.

I wish to congratulate the newly installed officers and committee people in our district. Please take the time to visit the LCI web page for training guides and material to help you learn and grow in Lionism.

Have a great summer.

*1st VDG Don Kaufman*

## 2nd Vice District Governor's Message

### Need Zone Chairs, Leo Liaison; Guide Given for Club Meetings

The Banner Exchange is now under our belts. Congratulations to District Governor Marsha who happens to be the eighth District Governor from my home club of Upper Lehigh. What an honor for the Upper Lehigh Lions to have yet another District Governor. Please take time to consider a position on the Executive Board of District 14-K. New members bring new ideas.

We are in need of Zone chairs and also the Leo liaison. Our Leo program has been growing and I know there must be someone out there who can get information to the Leo advisors and report their activities to the Executive Board. Our future depends on these high school youths who realize it is important to serve their community. We want to encourage them to continue their good work throughout their adult lives.

Lastly, I'd like to take a few minutes to talk to all the Presidents about meetings.

Justin Rosenstein said, "Meetings get a bad rap, and deservedly so - most are disorganized and distracted. But they can be a critical tool for getting your team on the right page."

Get your team on the same page. Business meetings should be informational for all members, not just board members, but get to the point and don't drag them out. Make an agenda and stick to it. Start and end on time whenever possible. When you have a general meeting, mix it up. Have theme nights, picnics and be unpredictable. If you have members who can't attend on a specific evening, try a meeting on two different nights. If you have members who don't like to drive at night, offer to pick them up for the meeting. Make sure your meeting place is comfortable and conducive to conducting business when necessary. Make your meetings upbeat and enthusiastic. Remember, if you're bored, so is everyone else.

Your Global Membership Coordinator, Debbie Lillegard, or I would be happy to come and talk to your clubs about membership retention and meeting ideas.

## Memorial Bench at Beacon Lodge

The Slatedale-Emerald Area Lions Club of District 14-K donated \$1,000.00 to Beacon Lodge Camp for the Blind & Visually Handicapped earlier this year. It was turned into a memorial for the late PDG Donald Trexler, a member of the club and a director of Beacon Lodge, where he was very active. The bench is now located at Children's Village. Standing behind it at the July "Lions Appreciation Day" are Lion Diane Folland, PDG Fred Folland, and DG Marsha Johnston.

Bath Lions Club president Melissa Grube and Jr. Conservation School student Mary Holbert of Northampton.

## Conservation School Student Talks to Bath Lions Sponsor

Ever since the Northampton County Junior Conservation School was founded in 1981, the Bath Lions Club has consistently sponsored a student to attend the one-week, hands-on course to learn the value of conserving our natural resources.

This year there were 21 students, aged 14-17, who attended the school, centered at the 4-H Center in Bushkill Center.

On Wednesday, August 3, Mary Holbert, a student at Northampton Middle School and one of the NCJCS classmates, spoke to the Lions. She said it was an awesome experience and she learned a lot about the

environment. "It was an exhausting week, but I'm stronger," she said.

She described the long hike in the summer heat, visiting the devastated area at Palmerton, learning about bugs and other wildlife, and traveling some 35 miles down the Delaware River by canoe. The students collected litter left along the water, but she said the depressing part of the trip was finding hypodermic needles and other drug paraphernalia near Easton.

Overall, she said the conservation school gave her lessons she'll remember for life. She intends to stay on with the school in future

years and eventually become a counselor.

The school was started in 1981 by the Northampton County Federation of Sportsmen's Clubs, who saw the need to teach young people the need for conservation, as well as enjoying the outdoor sports of hunting, fishing, trapping, and shooting as part of our nation's heritage.
