First Cabinet Meeting of New Year Set for Aug. 18

July 1st marked the beginning of a new year in Lionism, and with it our new District Governor Karlene Laub. She will convene the first Cabinet Meeting of this 2018-2019 year on Saturday morning, August 18 at the Bethlehem Township Community Center, 2900 Farmersville Road, Bethlehem.

All members of District 14-K - that means Lions, Lionesses and Leos - are invited and encouraged to attend.

Her theme for this year is "Lions - The Heartbeat of the Community." International President Lion Gudrun Yngvadottir's theme is "To Reach Beyond - We must reach within." Both get to the heart of the matter, for as we serve, we

are reaching the hearts of the less fortunate people in our communities. Let's challenge ourselves to do just that.

Breakfast starts at 9:00 a.m., so you should arrive by 8:30 a.m. to check in and perhaps buy a few drawing tickets.

This is the menu for the breakfast buffet prepared and served by a new caterer, Brooklyn's Catering: Scrambled Eggs, Bacon, Sausage, Potatoes, Pastries, Coffee and Tea.

The cost is \$10.00 per person. Send your check (payable to District 14-K) in with your reservation by Friday, August 10 to ZC Lion Paul Stoudt, 320 Hawk Ave., Wind Gap, PA 18091-9758. If you need to call or e-mail him for any

District 14K Banner Exchanged Between Emmaus and Upper Lehigh Lions Clubs

The District 14-K Lions banner was exchanged from the Emmaus Lions Club to the Upper Lehigh Lions Club on Wednesday, July 11, marking the transition of District Governors from one club to the other for the Lions Year 2018-2019. The event was held in the Nova Ambulance Hall at Ormrod/Coplay.

IPDG Don Kaufman said, as he worked with Lion Karlene Laub during her year as 1st VDG, he found that she leads by example. "Her heart is everybody," he said, as "she encourages what service is about."

District Governor Laub initially thanked Lion David Fatzinger of the Mountainville Lions for

working so hard to get the district directory out for

this first meeting of a new year in Lionism. She also noted that she spent several hours on Tuesday night sewing all the patches on her club's banner.

Having just returned from the Lions International Convention in Las Vegas, Nevada, she praised the newly elected International President, Lion Gudrun Yngvadottir as a remarkable individual, a woman whose home is in Iceland. Then she said the district faces many challenges in the coming year, most of all with change. "Things really need to change," she said, "and I hope the clubs will embrace them."

Lions of PA and Four Diamonds Join in Battle Against Kids Cancer

On Wednesday, June 13 the partnership between Four Diamonds and the Lions of Pennsylvania was kicked off with a media event. It was held at the Penn State University Hershey Medical Center.

Four Diamonds ensures that every child, diagnosed with cancer at Hershey Children's Hospital or elsewhere and referred to Hershey Medical Center, receives the care and support needed to overcome the disease. Meanwhile, their families not only never receive a bill for their child's treatment, but also are given the support they need to see them through this trying time. Furthermore, Four Diamonds supports research into the treatment and care for childhood cancer.

Sadly, childhood cancer continues to be the leading cause of non-communicable-related deaths in children throughout the world. Globally, more than 300,000 children are diagnosed with cancer each year. Because of these statistics, Lions Clubs International is beginning its global campaign to raise awareness about this terrible disease and to express support for children and adolescents with cancer, the survivors, and their families.

We, as Pennsylvania Lions, are proud and honored to enter this partnership with Four Diamonds to promote an increased appreciation

Changing The Direction Of The Sails

July has been a busy month for me. The International Convention in Las Vegas was wonderful. The first several days were spent in classes with other DG Elects from all over the world. It was interesting to learn that we are all very much the same when it comes to our dedication to Lions and many of the challenges we face in our clubs are the challenges of clubs throughout the world.

I had a chance to meet our International President, Gudrun Yngvadotter (pronounced "Ingvadotter"). She is not only the first woman International President but also the first President from Iceland. She is a remarkable woman and we are very lucky to have her at the helm. Speaking of helm, her theme this year is nautical, as Iceland is in the North Atlantic, surrounded by water, and she has a great passion for sailing and the outdoors. She tells us that as the largest service organization in the world, we are a force for good. It's up to Lions more than ever to set an example for others to follow. One of her favorite sayings is, "To reach beyond our limits, we must reach within ourselves." She asks us to maximize four areas of importance: 1. Moving membership forward 2. Increasing leadership development 3. Promoting the fellowship of Lions (friendship is key component of Lions) 4. Sharing our stories. Storytelling is powerful, and we need to share those life-changing stories through social media and marketing.

There is a phrase in Iceland you'll hear often. "THETTA REDDAST" - it means that everything will work out, somehow, no matter how large a problem may be, through hard work, trust and community. When we unite and come together to serve, we make our communities better. We put limits on what we can do, but let's reach beyond those limits this year. Something Gudrun said that week in Las Vegas will always stick with me; "YOU CAN'T CHANGE THE WIND BUT YOU CAN CHANGE THE DIRECTION OF THE SAILS."

I am happy to say I will have PDG/1st VDG Don Kaufman by my side again this year and together we will continue the forward momentum and re-invention of District 14-K. We are "changing the direction of the sails". We are looking forward to the journey.

Yours in Lionism,
DG Karlene Laub

Lions of PA and Four Diamonds Join in Battle Against Kids Cancer

Continued from Page 1

and deeper understanding of the issues and challenges relevant to this illness and its impact on children on children/adolescents with cancer, their survivors, their families and society. It also spotlights the need for more equitable and accessible treatment and care for all children with cancer. We, the Lions, Lionesses, and Leos of Pennsylvania, look forward to working with the Four Diamonds to serve those children and their families in a time of great need. We plan to do this financially by raising at least \$100,000 during the 2018-2019 Lions year, continuing the financial assistance in coming years, providing in-kind services to the families staying on the Hershey Medical Center campus as their child receives treatment and by encouraging our youth group, the LEOS, to participate in "Mini THONS" throughout the Commonwealth. We thank Four Diamonds for allowing us to partner with them. As our partnership grows in the coming years, we look forward to being able to expand our help to Four Diamonds.

Why did we choose to partner with Four Diamonds?

Several reasons. First and foremost, they not only serve all of Pennsylvania but also the surrounding areas. They are affiliated with Penn State University and we will have access to the University Alumni database to help with fundraising and possibly for membership in our clubs. Finally, their mission dovetails with ours in serving those who need our help the most.

How we can help:

1. Make a financial contribution in the following ways:
 - A. Use the donation page that was created for us and this is the link – FourDiamonds.org/PALions
 - B. Write a check payable to Pa. State Council of Lions with "Lions Care for the Kids" on the memo line and send it to the Pa. Lions State Office
 - C. Write a check payable to Lions of Pennsylvania Foundation with "Lions Care for The Kids" on the memo line and send it to the Lions of PA Foundation
2. Make a contribution of supplies and other needs for the Four Diamonds
3. If you sponsor a LEO club, encourage them to become a part of "Mini Thon"
4. Sponsor a meal for those families staying at the medical center's campus as their child undergoes treatment
5. Encourage local business to make a contribution to the campaign
6. Hold a fundraiser for the campaign.

Recognition will be given to donors and they are as follows: Contributing, Bronze, Silver and Gold.

- Individual Giving Levels are \$24; \$25 to \$49; \$51 to \$99; and \$100 or more.
- Club Giving Levels are \$1 to \$2, \$3 to \$4, \$5 to \$6, and \$7 or more per member
- Business Giving Levels are \$1 to \$50, \$50 to \$99, \$100 to \$249 and \$250 or more.

As we move forward we would like to include your stories on the "Lions Care for The Kids" Facebook page. Please send PDG Tom Gregg, MD-14 GST Coordinator, pictures, videos and stories what your club and district is doing for the partnership at 1130 Willowbrook Road, Bell Vernon, PA 15012, or e-mail tomgregg@verizon.net
