COMMUNICATING WITH OUR MEMBERS

LIONS INTERNATIONAL CONVENTION 2023

Lions International Convention was held in Boston from July 7-12. Dr. Patti Hill was installed as Lions International President for 2023-2024. Dr. Hill's theme is "Changing the World".

The Convention hosted thousands of Lions representing over 200 countries. The Pennsylvania Lions All-State Band provided a benefit concert for underprivileged youth in Boston. It is wonderful that our great state was represented in this manner.

District Governor's Message

DG Denise Shaffer Whitehall Lions Club

CHANGING THE WORLD TOGETHER THROUGH SERVICE

Fellow Lions/Lioness Lions/Leos,

It's been a busy few weeks as the new District Governor. Changing the World is our new International President, Dr Pattie Hill's theme. We as lions certainly have that opportunity to change the world by looking for ways to serve the communities around us and the world when we donate to LCIF.

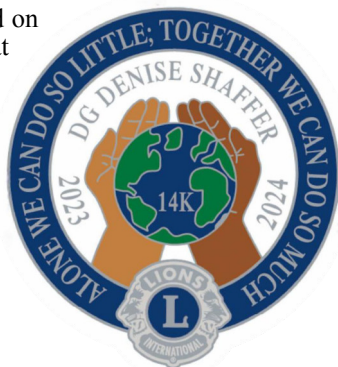

My year will focus on service and getting clubs back out into the community to serve. Many clubs are already doing service already. My challenge to our district is for each club to do a service project monthly and ensure it is recorded on MyLion. Make your projects fun and inviting to those you are serving, invite friends to join you and just have fun. Don't forget to invite your DG team to your service projects for a few extra hands. Remember, fundraising is only a service project if the money raised goes directly to the organization your raised the funds for. The top three clubs performing service projects will be recognized at our June cabinet meeting.

I attended the International Convention in Boston from July 7-12. I was officially installed as your District Governor and I was honored to have IPDG Kathy Duellley with me to pull my ribbon to make it official. The Convention had between ten and eleven thousand Lions representing over 200 countries. It was quite amazing. There were many information sessions available to sit in on for learning opportunities. We were fortunate to have our Pennsylvania Lions All-State Band asked to do a benefit concert to raise money for underprivileged youth in Boston. It was a fabulous concert with guest soloist Roland Hardtner, DGE from District 111-SN of Germany. He is an amazing mallet soloist. We had an interesting business session on Monday morning that featured Extreme sports and adventure seekers which compared how Lions are extreme in our service and trying to change the world.

I returned home from Boston and whisked off two days later to [Beacon Lodge](#) for the weekend for Vice District Governor training with 1VDG Scott. It was a great weekend where there is never enough to learn about the camp. Saturday campers arrived with three of our LV Sights for Hope Club attending and I was happy to be able to speak with them. Sunday was Lions Appreciation Day. There were about 500 Lions across PA in attendance, the most in a long time. Our district had a good showing of about 20-25 in attendance. The campers performed a show with so many talented singers, a few piano players and some stand-up comedy. I hope to return again next year.

Look for an email in the near future Zone Chair and officer training to be held on Saturday, August 26th at 9:00am at EZ Micro Solutions, 1341 Mickley Rd, Whitehall.

Yours in service,
Denise Shaffer DG – D14-K

1st Vice District Governor Message

1VDG Scott Lohman Saucon Valley Lions Club

Congratulations to our new District Governor Denise Shaffer for the Lions year 2023-2024. I look forward to supporting her leadership and service initiatives in the year ahead.

The year has already started off with a few different activities I have attended.

In July I went to Beacon Lodge Camp in Mount Union PA and attended a training session and their board meeting Saturday. Sunday was the PA Lions Appreciation Day. Quite a few 14-K Lions were also in attendance. This year had over 150 more PA Lions attend than in 2022. We all enjoyed the traditional lunch meal of chicken and baked beans.

On July 20th I attended the [Banner Exchange](#) in Whitehall. An added treat was Lion Rich Litzenberger sharing some newly discovered photographs of Governor Denise from when she was employed by Dorney Park over 30 years ago.

On July 22nd I attended the district training session where we were instructed on how to utilize the Call-Em-All software we have. The 90 minute session was well worth the time to learn this valuable tool.

On Monday I attended the district fundraiser for the PA Lions Sight Conservation & Eye Research Foundation at the Inside Scoop in Coopersburg.

Lastly on July 27th Charitable Enterprises at the Iron Pigs was held. The event was sold out this year and all enjoyed the air conditioned dugout suites (best seats in the stadium) on a typically hot and humid July night.

Yours In Service,
Scott Lohman, 1VDG-14K

District 14k Governor Denise Shaffer

DG Denise Shaffer joined the Whitehall Lions Club in September of 2016. As a child, she was the recipient of her first pair of glasses from the Lions. Giving back to a service club that supported her years ago made it easy to join Lions. In the past 7 years she has served as Treasurer and President of her club. Denise was the Zone Chair for Region 2, Zone A for 4 years. She moved further into District leadership as 2nd Vice District Governor then 1st Vice District Governor. Denise enjoys meeting and working with other Lions in the District.

Denise has worked in construction accounting for more than 35 years and is married to Lamar. They have 1 daughter. Denise is very active in her church and previously served as a Christian Education Director and Youth Minister for the church and always looks for ways to serve her community.

District 14k Banner Exchange

On July 20th, the District Governor's banner was officially exchanged between IPDG Kathy Duellley and the Bethlehem Township Lions Club to DG Denise Shaffer and the Whitehall Lions Club. The District Executive Committee and Cabinet members were also inducted.

Lion Rich Litzenberger, TT Editor provided some laughs by sharing some newly discovered photographs of DG Denise from when she was employed at Dorney Park over 30 years ago.

Attendees were encouraged to bring non-perishable food items to be distributed by "Meals on Wheels" to the meeting. In exchange, DG Denise thanked them by providing her DG's pin.

Thank you to all that attended the banner exchange on July 20th. Thank you all for your support to our District. A special thank you to the Whitehall Lions for hosting the event. I also want to extend gratitude for the support to Meals on Wheels. We collected two cart loads of food for the senior emergency food boxes that will be distributed throughout the the Greater Lehigh Valley. Thank you for all for generosity in service. DS Denise

Lions Appreciation at Beacon Lodge

Pictured above are photos of the new roof on the 14-K pavilion that was funded by District 14-K this past Lions year. The pavilion was built and donated to the camp by District 14-K many years ago.

The camp is having a very good year with each camping session near capacity and they have a full staff of Counselors. Both camping sessions for Project New Hope (Helping PA Disabled Veterans and their Families) are at capacity and they had to unfortunately turn some people away.

Things are heading in the right direction at the camp thanks to the generosity of the Lions Clubs. -PDG Dennis Butz

Donations to the Beacon Lodge Wish List from the Emmaus Lions Club. As always, they were very appreciative and thankful for the generous donation.

District Cabinet Meeting #4

The 4th Cabinet meeting for Lions year 2022-2023 was held on June 10th at the Hellertown Diner.

The program was information on the "Be My Eyes" App presented by Lion Jeanne Zieger from the Alburty Lions Club.

The app focuses on volunteers helping sight impaired individuals with the use of a camera through the app on your phone with simple things we take for granted. An example would be helping identify an expiration date on a carton of milk.

DG Kathy presented Lions John Weremedic and David White with service awards.

Medical Safety Equipment Lending Program continues.

SLATINGTON LIONS: •On Saturday June 24 the Slatington Lions Club, in conjunction with the Northern Lehigh Recreation Authority, held its annual Summer Bash (previously Community Steak Fry) at the Slatington Skeeet Club Grove. Approximately 150 people attended to enjoy dinner, dancing, karaoke, raffles, and a basket raffle. By all accounts, and based on the response from attendees, it was a really great, fun event. Celeste Williams and Jessica Mack, both representing the Northern Lehigh Pool, as well as their staff and supporters put out a great effort to sell tickets and gather prizes for the Basket Raffle. Lion Dan Shortell, Chairman of the Summer Bash Committee and all his fellow Lions grilled steak and chicken dinners for the attendees and helped the Pool committee with the raffles. Lion Mike Schippers was in charge of the Lion portion of the Basket Raffle. Originally the profits were to be split 50/50 between the two organizations. But it was decided at a recent Board meeting that the Lions will give all of the proceeds to the Recreation Authority. On Wednesday night, July 12, The Lions

Club presented the David Schnaars, President of the Northern Lehigh Recreation Authority with a check for \$5000. The Northern Lehigh Pool has gone through extensive renovations this past year in order to be open for the community. However, there are still a lot of things needed at the pool which require additional funds. Any donations would be greatly appreciated.
