DISTRICT 14K BANNER EXCHANGE

The District 14k Banner Exchange was held on July 9th at Indian Trail Park, Northampton. Lehigh Township Lions Club hosted the event consisting of a Pig Roast style menu with all the fixings. PDG Scott Lohman presented the “Home Club” banner to DG Dan Lombardo

and the Lehigh Township Lions Club. Yes, your not seeing double. Can you guess which is the real DG? Lehigh Township Lions felt the need to show off a copy of DG Dan. They must of forgot what he looks like in the green jacket!

LCIF - THE POWER OF YOUR FOUNDATION

Thank you to all who gave generously to LCIF 2024-2025.

District 14K contributed 78.93% of its \$22,338 goal. (14K was \$2,000 shy of goal.

There's a possibility some clubs' year-end donations may not have been posted by June 30th recording deadline.). Nevertheless less, THANK YOU! as all donations offer assistance to those in need!

Goals for 2025-2026 were announced recently at the LCI Convention in Florida. (Estimated \$30 per member.)

As you know July 4th there was a huge flood in Texas. July

8th, LCIF approved a \$100,000 MCAT grant to support relief efforts in Texas following the heartbreaking flooding and devastation impacting so many in Kerr County, Texas.

The Texas Lions Foundation has been communicative via Facebook. Their recent posting has prompted a few questions, so I wanted to take a moment to offer some clarification.

The Texas Lions Foundation is currently asking for donations to be sent directly to them. While individuals and clubs are welcome to give as they choose, please note that contributions made to organizations other than

LCIF are not eligible for Melvin Jones Fellowship (MJF) credit. While we fully respect and recognize the value of state foundations, it's important to remember they operate independently and are not officially affiliated with LCIF. Most significantly, they do not have the global grant-making capacity that LCIF offers in times of crisis. That's why LCIF exists — to be ready and able to respond when disasters strike and communities need us most. This newly approved MCAT grant is just one example of how LCIF can act swiftly and substantially, thanks to the

generosity of donors like you and Lions across CA I and around the world. While local giving may feel more immediate, LCIF provides the structure, scale, and global reach to deploy major relief quickly and strategically — and ensures that every gift counts toward meaningful recognition through MJF.

Giving to LCIF's Disaster Relief Fund supports more than one crisis — it strengthens our ability to respond to the next one. That readiness is what sets LCIF apart, and that's the power of your Foundation.

ENTREPRENEUR AND FORMER CLIENT ELECTED SIGHTS FOR HOPE BOARD PRESIDENT

LEHIGH VALLEY, PA, June 9, 2025 – Paul Miller was elected President of the Sights for Hope Board of Directors last week during its Annual Meeting.

Miller will succeed Kate Raymond, whose term as Board President ends on June 30. Also elected to terms starting July 1 were Devin Darby, OTR-L, as Board Vice President; Daniel Lombardo as Board Treasurer; and Nicole Williams, O.D., as Board Secretary. All officer terms are for two years.

Miller has been Board Vice President since November 2022 and brings decades of leadership, entrepreneurship, and lived experience to its mission. Living with blindness caused by progressive retinal disease, Miller was a client of Sights for Hope when it was known as the Association for the Blind and Visually Impaired (ABVI).

Raised in the projects of Reading, PA, Miller has worked as a professional chef in Amsterdam and the United States and has started several businesses. His most successful venture is as Founder and CEO of Active Learning Centers and Lehigh Valley Martial Arts – two thriving businesses that reflect his lifelong passion for personal growth, self-confidence, and empowerment.

With more than 45 years of martial arts experience and a fifth-degree black belt in karate, Miller has trained more than 1,000 black belts and used martial arts as a foundation for teaching confidence, discipline, and life skills. Lehigh Valley Martial Arts opened in 1997, followed by Active Learning Centers in 2002, which integrates martial arts principles into early childhood education. Today, his businesses employ more than 150 people across five locations.

Miller is a tireless Sights for Hope advocate who says its people were the first who treated him like his full loss of sight at age 35 “wasn’t the end of the world.” He served on its board originally from 2004-2007 and joined the board again in 2022. He and his wife, Susan, are among Sights for Hope’s most generous individual donors. In recognition of Miller’s extraordinary dedication and impact, Sights for Hope honored him in 2024 with its Titan of Hope Award.

Raymond will serve as an at-large member of the board’s Executive Committee. As Board President since November 2022, she has guided the organization’s strategic initiatives, influenced professionalism, and supported the growth of its programs.

“We are exceedingly grateful that Paul Miller will serve as our organization’s next Board President,” said Dennis

Zehner, Sights for Hope’s Executive Director and CEO. “His enthusiasm, bold perspectives, and example of someone who conquers vision loss every day make him singularly qualified and prepared to build upon the progress we have made with Kate Raymond’s leadership.”

Devin Darby is an Occupational Therapist in Good Shepherd Rehabilitation Network’s vision rehabilitation group. She has been a board member since 2019 and its Secretary since 2021. Daniel Lombardo is the Lehigh Valley Branch Manager for Richard B. Ryon Insurance. He has been a board member since 2021 and Treasurer since 2023. Lombardo will also serve a second term as Governor of Pennsylvania Lions District 14-K, starting July 1. Nicole Williams is an Optometrist for Valley Health Partners and has been a board member since 2023.

Sights for Hope’s Board of Directors represents the American people as stewards of the organization. It holds fiduciary responsibility and provides strategic direction to ensure the fulfillment of its mission and vision.

Sights for Hope empowers people to overcome the challenges of vision loss and promotes healthy eyesight throughout Pennsylvania’s Lehigh Valley and Monroe County. Sights for Hope educates people with limited or no vision about adaptive skills, improves their access to essential services, boosts their confidence and emotional well-being, and helps them obtain assistive devices. Sights for Hope also connects pre-kindergarten children to eye care and teaches people how to keep their eyes strong and safe. Founded in 1928, Sights for Hope is a member of the Pennsylvania Association for the Blind (PAB) and the national VisionServe Alliance.

District Governor's Message

DG Dan Lombardo, Lehigh Township Lions Club

Hello Fellow Lions of District 14K,

For those who are not aware, I have decided to step in for a second time to become your District Governor for 2025-2026. It was a decision that did not come easy as I have decided to continue to work. But after meeting with our Past District Governors, and their agreement to work with me thru this year, I look forward to serving as your District Governor. Along with the District Governor Visitations, I hope to attend at least one Club Fundraiser for each Club during my term. Note I have tried to do that since my last term in 2020-2021 which was the COVID year. In that way, I have met and gotten to know many of the Lions members in our Great District. I look forward to serving District 14K to the best of my abilities.

Thank you
DG Dan Lombardo

Lions members, family and friends, DG Dan Lombardo and several past district governors were on hand to help the clients get situated at tables, get them lunch and help them down to the docks to board a boat. Our standard array of club members were busy in the kitchen cooking and serving the guests. While there was a threat of rain, the sun broke through and everyone thoroughly enjoyed themselves. Several clients told us that they look forward to this day all year because it gives them an opportunity to be with friends and just have fun. A great big thank you to the members of the Bethlehem Boat Club for donating their time and boats to make this picnic a great success.
