Vol. XXX, No. 6

December 2016

Convention Registration Forms Going in Mail on January 7th

The committee planning the 2017 convention of District 14-K met on Monday, November 14 at Christ U.C.C. Church, Airport Road, as they continue planning for the Saturday and Sunday, March 25 and March 26 District 14-K Convention at the Holiday Inn Conference Center near Breinigsville.

They worked on finalizing changes to the convention registration forms, which will be sent out on Saturday morning, January 7. The return address lists the new chairpersons, PDG Linwood Gehris and his wife, Lion Gail Gehris, at 6357 Pinecrest Lane, Macungie, PA 18062.

The opening session will be Saturday from 7:45 to 8:45 a.m., when nominees will be named, and PID Brian Sheehan of Minnesota will have a few comments.

Seminars Listed

This is the schedule of seminars for Saturday morning:

Presidents/Vice Presidents seminar, from 9:00 to 10:00. The Secretaries seminar will also be held from 9:00 to 10:00 a.m. as will the

Centennial Challenge.

The second session will be from 10:15 to 11:45 a.m. and include: "Meet the Taters"; "Tricks, Treats and Tips," and Club Success Stories.

Lion Silas Rodenbach and PDG Gehris announced that the displays by vendors will be the same as in the 2016 convention.

Lion Nancy Keller will be the tail twister for the convention luncheon. PDG Joe Chunko is Peace Poster chairman. There are several applicants and there will be three winners with their posters at the luncheon.

Stephen Cunic, who paints pictures that can be touched by the visually impaired, will speak to the Leos.

Lion-Lioness Kathy Dieter with help of Lehigh Twsp. Lionesses will make up baskets. Each club is asked to contribute a basket of goodies, worth \$25.00 or more.

Social hour for the Saturday night banquet (with fruit and cheese tray) will begin at 5:00 p.m. with a cash bar, and dinner will

Candidate Needed, Timely Secretary Reports, Membership Number Stressed at Cabinet

The second Cabinet Meeting of this Lions year in District 14-K was hosted by Region 1 on Saturday morning, November 12 at Friedens United Church of Christ, south of Slatington. The Lions and Lionesses were welcomed by Zone Chairman Joe Sizer.

The business meeting followed the breakfast.

Early on, PDG Linwood Gehris, Global Leadership Team coordinator, noted that training sessions were held in October to assist zone chairpersons in the performance of their duties as well as a primer for those Lions who are looking to become leaders in their club and district. Both he and PDG Advisory Committee chairman Howard Bowers said that so far no one has stepped forward to run for 2nd Vice District Governor in the coming Lions year. This should happen before the next Cabinet meeting in February. Said PDG Lin: "We need to continue our history of having these positions filled, as the training which the per-

son receives is very valuable as they move forward."

As this report was written, Region II, Zone A still had no chairperson, and a meeting was scheduled on November 29 to try to resolve this vacancy. 2nd VDG Karlene Laub said they are hoping to start a Lions club in Northampton, and noted plans for a retreat for members of five years or less. One question that would be posed is "What is the meaning or foundation for a rally?" to possibly boost attendance with a better understanding of what it means to the district.

In her report, Lion Debbie Lillegard, Global Membership Team coordinator, urged showcasing our clubs in this 100th anniversary year. She also noted that there are more than 20 self-directed online courses to promote personal and professional development. While the report listed a net gain of 18 members, actually the number is 14, not 21 as reported to LCI, but still ahead of other districts in Pennsylvania.

Later reports by DG Marsha Johnston, 1st VDG Don Kaufman, 2nd VDG Laub and CC Karen Brady cited problems with secretary reports, and that they need to be turned in on time. Lion Karlene said the district is up 14 members. "We want to brag about it, but not exaggerate the numbers." DG Marsha echoed that sentiment, in that we need to be accurate in our numbers. CC Karen said, "Send reports in on time, so information is the latest. The club secretaries need to send reports to LCI no later than the 15th of the month."

Lion Lillegard said, "Our weakest link is club presidents and secretaries who don't know how to do reports." She offered to help in forwarding the information online.

In addition to the open positions noted, there is a need for a District LEO advisor, a Lioness liaison, a hearing research representative, a chairperson for the Journey

for Sight, and a Beacon Lodge representative.

Lions Centennial

District Centennial Coordinator PDG Glen Santee noted the four centennial challenges - Youth, Vision, Hunger, and Environment - and urged clubs to do a legacy project for their communities in any of those categories.

At the recent district rally, a project was geared to saving our environment when 1,295 batteries of every type were recycled, keeping them from landfills and leaching toxins into our water systems. He said that at our March 25, 2017 district convention, we will look back and plan our future, when a seminar of sharing what our clubs have done through service will be available. At the state convention, participants will pack 20,000 meals in three hours to feed the hungry.

PDG Fred Folland noted that at State Council there was a project suggested that would involve all clubs, "Hot Dogs for Hunger", but no date has been set as yet. Something like that and the Beacon Lodge work weekend noted by Lion Brady would qualify for the "challenge mountains" that International President Robert Corlew has in this centennial year.

Lion Marty Lower, district environmental chairperson, urged all the clubs to report their environmental projects as you do them.

Care & Share

PDG Larry Snyder reported donations from two clubs in the Care & Share program. Alburts Lions have donated 105 lbs. of food to the St. Paul's UCC Trexlertown food pantry and 213 lbs. that wasn't reported last year. The Lehigh Valley Saturday A.M. Lions have donated the equivalent of 450 lbs. to the Salem Methodist Church pantry.

This year's goal is 81,000 lbs. and Lion Larry is hopeful that the goal will be

Beacon Lodge Had Successful Season Despite Personnel Changes

Despite a number of personnel problems, that forced the camp to rely on volunteers, past counselors, and other staff, Pa. Lions Beacon Lodge had a successful 2016 camping season, with 359 campers, including 29 new campers in Adult Camp and 26 new campers in Children's Village. With four off-season rentals, there were 603 campers there in 2016. Ten of the campers came from District 14-K.

Board member PDG Dennis Butz made this report at the recent Cabinet meeting. He also noted the wish list donations that save the camp money, a fall retreat for about 20 visually impaired campers who are completely independent that will be held in October 2017, the 2017 Leo Rally on May 5-7, Project New Hope [due to

low enrollment the camp was only able to have two out of the three scheduled sessions in 2016. Three families with 23 people all plan on returning in 2017]. A golf tournament will be held on August 26. The annual Lions Appreciation Day will be on July 16.

New metal roofs were installed on two buildings in Children's Village. McPhey & Co. did the installation free of charge for a \$2,500 fee for hunting rights on the property. The swimming pool has been drained, cleaned and painted. The air conditioning unit in the Adult Village kitchen needs to be replaced. Two golf carts that are used for transporting campers need to be replaced and the tractor that is used for plowing snow and general maintenance

also needs to be replaced. Money for these purchases will be taken from the timber cutting account.

Lion Dennis said there is a board member vacancy for District 14-K. See DG Marsha if interested.

Also, there are still six benches to sell at \$1,000 each. They will include a nameplate to honor the Lion or club donating them.

The wish list contains about 100 items that can be used for activities, house-keeping, infirmary supplies, maintenance, and the camp office. The donations save Beacon Lodge about \$25,000 each year. All clubs are urged to participate. Donations can be sent by the clubs or by individual Lions and Lionesses. (That list is included on page 4 of this month's Tattle Tailer.)

District Governor's Message

Patches for Service; Planning For Convention Activity

It's hard to believe that I'm preparing this message for the month of December! Time has gone quickly, but I know all of District 14-K clubs have been very busy. Most clubs are meeting the four service areas, and I'm hoping more patches will come soon! It's always my pleasure to bring awards or membership chevrons to my club visits. Every club is so deserving! By the end of December, I will have visited 25 Lions clubs and two Lioness clubs. It has been my pleasure to meet and exchange ideas with every club.

Even though our Convention is a few months away (March 24 and 25), the planning committee has been very busy. We have met with the Holiday Inn to finalize the menu for the meals, room usage, sleeping rooms, and the logistics of providing space for all attendees. Please remember that the District will not have a separate Melvin Jones luncheon this year. Melvin Jones Fellowships will be presented at our Saturday evening banquet. There will be a special speaker this year -- PID Brian Sheehan. I met PID Brian at the International Convention in Japan and The Lions Leadership Forum in Omaha, Nebraska. I'm sure he will have a wonderful message for us. You will be receiving the mailing for the convention early in January.

Additionally, PID Cindy Gregg will be conducting one of our seminars. Those of us who attended the State Council meeting in October had the opportunity to attend PID Cindy's seminar, and we thought it was very good. I don't want to reveal the content except to say it will prove to be very helpful with the retention of members and club morale.

There will be a special activity for the LEOs. They will be packing 10,000 meals, which will be distributed to various food banks in our area. I proposed this idea at a recent LEO club meeting and found the LEOs to be very enthusiastic about this project. Some of us who attended the Lions Leadership Forum in Nebraska packed 100,000 meals for the needy in Omaha. It was a very rewarding experience.

I want to wish you and your families a very Merry Christmas and a Happy New Year!

DG Marsha Johnston

Special Meeting to Approve 1st VDG Donald Kaufman

District Governor Marsha Johnston has issued a call for a special meeting of the Honorary PDG Advisory Committee and the Executive Committee to be held on Tuesday, January 3, 2017 at 7:00 p.m. in Christ U.C.C. Church, 5050 Airport

Rd., Allentown, PA 18109.

It is for the purpose of officially approving Lion Donald Kaufman as the First Vice District Governor for Lions Year 2016-2017.

Lion Don will have completed the criteria for this high position. The Honorary Advisory Committee and the Executive Committee must meet to approve and forward on to LCI the outcome of our voting!

MJF Honors at Banquet

Instead of a Melvin Jones luncheon, this year the Melvin Jones Fellowships will be presented after the PID's speech at the Saturday night convention banquet.

In a recent letter to the clubs, LCIF Coordinator PDG Joe Chunko said we will need the Lions clubs to act quickly to let him know who they will be honoring with a Melvin Jones Fellowship or a Progressive Melvin Jones Fellowship. He said that it could take 4-6 weeks to receive the materials depending on the number of plaques that have to be made. To pay respectful tribute to the recipients, this info needs to be furnished to PDG Joe so that it can be read when a new MJF or PMJF is recognized: Name of the club; name of the recipient; family information; number of years in Lions; positions held in Lions; other community or church affiliation; reason for the honor. The minibo should be 100 words or less. Lion Joe needs to have the information no later than March 10, 2017.

The MJF program was started in 1973 in honor of Melvin Jones, the founder of Lions Clubs International. It recognizes donations of \$1,000 to LCIF.

New MJF's receive a pin, commemorative plaque, and a letter from the LCIF chairperson. If the donor so

Good News; There's An Increase in Membership

Lions:

The Holiday Season is upon us. It's time to reach out to family and friends and remember the good times past and the good ones yet to come. "Life is like a camera. Focus on what's important. Capture the good times. And if things don't work out, just take another shot."

- Ziad K. Abdelnour

Talking about good times - my thanks to all the Clubs I visited with Lion DG Marsha in the last two months. You made us feel welcome and you made us proud of who you are and what you do. Thank you for your kindness. We are looking forward to visiting with all the Clubs this year.

Thanks to you, good news continues to roll in about the increase in membership in our District. "Ask One" is still your best way to add new members! Get your new members involved right away with help from their sponsor or a Guiding Lion. If your Club does not have a certified Guiding Lion - better get one - the training info can be found on the LCI web site.

Wear your shirt, hat, pin or jacket with your Lions logo everywhere you go. Someone could approach you for information or they might engage you in conversation about a friend or relative who is a Lion. You never know where you will find your next new member. By the way, ask me if you need a Lions license plate to show your Lions pride; I always carry a few with me.

In March, we will be looking for help to add two new Lions Clubs (Allentown and Bethlehem) in District 14-K. We need a team of Guiding Lions to canvass the center city areas during the first week of March 2017. If you are interested, please contact me or Lion DG Marsha.

In Lionism,

1st VDG Don Kaufman

2nd Vice District Governor's Message

Zone Meetings Spread the Good Ideas of Lions Clubs

It's hard to believe my tenure as 2nd VDG is half over. Where has the time gone? Given the fact that the second cabinet meeting has just passed, the Zone meetings will be taking place very shortly. I know I spoke earlier about how important the Zone chairs are, but I'd like to reiterate.

Years ago we had Region Chairs and Zone Chairs. Feeling things were too top heavy, our District decided that it wasn't necessary to have Region Chairs, if we had Zone Chairs who could get the information to all the clubs. The District gets the information on things happening at LCI and the Zone chairs get the info on both District 14-K and LCI. It is the responsibility of the Zone chairs to pass the information on at Zone meetings and the secretaries, presidents, etc. to get the info to their clubs.

One of the responsibilities of the Zone Chair is to attend the Executive Board meetings, the Cabinet meetings and have three (3) Zone meetings a year. Not too much to ask, but very important for them to attend. Do you know who your Zone Chairperson is? Have you ever been to a Zone meeting? If not, why not? One of the best places to get ideas for our club projects is from other clubs. Do you know what other clubs in your Zone are doing? Do you know how many members are in those clubs? The health of the Zone reflects all the clubs and the health of the District reflects all the Zones. Without the Zone Chairs attending these meetings and passing information on to you, we would not have the strong District that we do.

So next time you are informed of a Zone meeting, take the time to find out what they are all about and thank the Zone Chair for attending their required meetings in order to keep Lionism strong in District 14-K. As a prior Zone Chair, I can tell you there was nothing that made me happier than to have a full group of Lions at my Zone meeting.

Happy and safe holidays to everyone. I know there are people out there in the world whose lives are better because of a Lion. I am proud to be your 2nd VDG and look forward to representing you and our District in the years to come.

2nd VDG Karlene Laub

Attention all Lions, Lioness and Leo Clubs of District 14-K:

The Charitable Enterprises Board of Directors voted to cancel the All-Star Soccer Classic after 35 years. The All-Star Soccer Classic was originally started as one of Charitable Enterprises fundraisers. Over the past few years, our profits from this game became smaller and smaller. Here are a few observations:

- Lack of support from many of our Lion and Lioness clubs
- Lack of support from the majority of our 14-K Lion members
- Lack of program booklet sponsors
- Lions not filling the stadium on the day of the game to show support of soccer players

Also, this year we had to cancel the soccer games due to severe weather on June 5th. In order to still honor the soccer players, I sent out emails to all 80 plus soccer players asking them to come to the UCC Church on Airport Road the following Saturday (June 12) to pick up their soccer shirts, certificates and program booklets. Only 30 players and 2 coaches showed up. I again contacted the students and coaches who did not stop by on June 5 via email. Only three parents came to pick up their shirts. PDG Fred Folland and I had to mail two of the soccer players their \$250 Scholarship Checks.

A lot of time, effort and money goes into this fundraiser, but the rewards are small.

The Board of Directors is saddened by this decision. Our goal is to find a replacement fundraiser for the All-Star Soccer Classic. At this time, we ask all our Lions to please support the Charitable Enterprises ½ price (\$15) Lottery Calendar Sales. We currently have 906 Lions. If each Lion would buy or sale one calendar, we could make a profit of over \$13,000.

PDG Joe Chunko
