

IT'S A DREAM COME TRUE

District 14-K's 2nd Annual Bingo Fundraiser to benefit Dreams Come True was held Sunday November 20, 2022 at the Diamond Fire Company in Walnutport. The event

was a success. A very special thank you to Lion Donna Bok. She went above and beyond with collecting Bingo prizes and 130 gift baskets. She is an amazing woman and Lion!

Also, special thanks to all of the amazing Lions who volunteered their time to work the event. You are so appreciated and without your help, the Bingo would not have been as successful as it was. You helped things run smoothly! Early estimates show a profit of \$15,000 but we are not finished tallying everything yet.

In gratitude & Together We Can & Did!

DG Kathy

District Governor's Message

"Together We Can"

Hello Lions, Lioness Lions and Leos,

At this special time of year, I want to wish all of you and your families a Blessed Thanksgiving and a beautiful Holiday Season, however you celebrate. I am thankful for the many Lions in District 14-K who do so much for their communities on a daily basis.

It has been exciting visiting the clubs in the District and hearing their success stories. That is what makes Lions so exciting for me and so rewarding. 1VDG Denise and I are about halfway through our visits and look forward to those remaining. So, what makes YOU excited to be a Lion? Please share when I visit your club!

I am pleased to report that our Membership is up and I have a challenge for each Lion from now through Jan 15 and from Jan 16 through April 15. YOU could win tickets to attend the District 14-K Night at the Iron Pigs on July 27, 2023.

Click the following link for full details. [Iron Pigs](#)

The District Team is also working with the Leo Clubs to bring them together. We are planning a Holiday gathering on Dec 10 at Bethany United Methodist Church in Allentown. Fun, food and games for all Leo's attending.

Follow link for more details. [Leos coming Together](#)

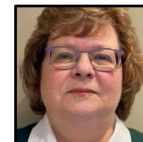

How many of you have watched the Rose Bowl, Parade on New Years Day? Have you seen the Lions International Float? The float for 2023 will be beautiful. Please visit the Float website at www.Lionsfloat.org to support the float effort. You can purchase a Banner Patch to show your support. My special thanks to all of the clubs who donated items for the Kentucky Disaster relief in October. They were grateful for the products, checks and many gift cards donated.

Thanks for all that you do for Lionism. Remember, together we can, and together we will!
Happy Holiday Lions!

1st Vice District Governor's Message

"Together We Can"

Fellow Lions/Lionesses/Leos,

I have attended many club visits with DG Kathy and am amazed at how gracious and welcoming our clubs are. I look forward to the next few months to be able to meet more lions as we continue our visits.

MD-14 State Lions hosted the Global Action Team Fall Leadership Symposium on October 15th. This leadership training was well attended, including 7 members from our district. A big discussion was what do we bring to Lions and are we using our skills in our clubs to our advantage? How can we make our clubs grow? In a training I attended, we discussed changing with the times. One of the killers with new members in clubs is the saying "We've always done it this way" or "We've tried that and it doesn't work." I am certain most of you have heard this. Drawing new members is doing things differently. Every member should be encouraged to come to their club with a service project idea to try. Let them lead the project if they choose. Let's learn that change is good and doing things differently is a great way to grow.

Yours In Service,
Denise Shaffer 1VDG – D14-K

2nd Vice District Governor's Message

Having been a Lion for more than half of my lifetime I can admit that in 2022, and since being appointed 2VDG, I've gained more knowledge about both International and Pennsylvania Lions than I even expected. I encourage any Lion interested in learning more about Lions Leadership and possibly even following me to be our next 2VDG to attend the upcoming RLLI (Regional Lions Leadership Institute) training being held in March 2023. www.palions.org

I look forward to my months and years ahead in service with all Lions in MD14-K.

Yours In Service,
Lion Scott Lohman 2VDG
