District Bowl-a-Thon March 9 at Two Lanes

It's that time again - time to take aim on the head pin and rack up the best score you can in just one game of bowling.

District 14-K's annual Bowl-a-Thon will be held Sunday afternoon, March 9th at the Blue Valley Lanes along Rt. 512 in Wind Gap (Northampton County) and at the Jordan Lanes in Whitehall, just off 7th Street-MacArthur Road (Lehigh County).

The starting times are 11:00 a.m. and 1:00 p.m. at Jordan Lanes and 1:00 p.m. at Blue Valley Lanes.

Bowl-a-thon chairpersons, the husband wife duo of Erik and Jennifer Lynch, are hoping for a great turn-out of bowlers -- men, women and young people, long-time bowlers or just amateurs, who like the sport, and who want to help a good cause.

All clubs were mailed two pledge sheets on the weekend of February 1, and extra sheets are available, said Lion Jennifer.

Each bowler will have one, on which he or she lists his or her name, club and score for the day, along with a list of pledges received. Turn that in after bowling and all of it will eventually reach the Lions Lynch.

As you know, 60% of the proceeds goes to your club and 40% to the district, but all is intended to serve sight-related needs. Talk to your friends and neighbors, and your relatives and co-workers. Get as many pledges as you can to raise these much-needed funds.

If you need any more information, call Lion Jennifer at 484-866-1545 or e-mail her at jentrexler@hotmail.com.

State Leo Rally Planned At Beacon Lodge in April

At the fall State Meeting in Harrisburg, MD-14 Leo Coordinator Sara Greenlee presented a proposal that was approved by the Council of Governors for a Leo Rally for Multiple District 14 to be held at Beacon Lodge Camp on April 25-27, 2014.

The purpose of the Leo Rally is to provide Leos with the opportunity to interact

with other Leos from across the state and to engage in meaningful dialogue about how they may best fulfill the goals of being a Leo through service and volunteering. What better place to do this than at a facility that is one of our state projects?

The rally will include two one-hour seminars. One will

Registration Forms in Mail For Convention, MJF Lunch

A group of Lions will be gathering on Saturday, February 8 at Christ UCC Church along Airport Road. Busy as bees, they will stuff more than 1,200 envelopes with two forms - the registration for the April 5-6 District 14-K Convention and the registration for the May 4 Melvin Jones Fellow honors luncheon.

You should receive that mailing on Monday or Tuesday, February 10-11.

Then, while you think of it, sit down, fill out both forms, and send them in with the appropriate amounts of money to registrations chairperson Lion Shirley Hawk. And in doing so you'll be ready to go to both affairs.

29th Convention

As always, the convention will be a major highlight for this Lions year 2013-14. It's our 29th! There will be plenty to do, starting with the opening session at 7:45 a.m. on Saturday morning, April 5th, when International Director Stacey Jones from Miami Gardens, Florida is with us, and the nominees for the district's top offices will be present.

Then, it's out in the hall-way to mingle and socialize, and enjoy a doughnut or two before the seminars get started at 9:00 a.m. There are eight seminars that are available from then until 11:45 a.m.,

split into two sessions. They were noted in last month's Tattle Tailer and are on your registration form. Pick the one(s) you feel will be most interesting and learn from them.

The luncheon at 12:30 p.m. has an International flavor to it, as our LCI President Palmer has encouraged what he calls

a "Lions Longest Lunch Relay," a world-wide contest that same day. The luncheon also includes some revelry by tail twister Nancy Keller from Emmaus, a drawing of prizes, and a showing of this year's Peace Posters.

After lunch there will be the election of our 2014-15.

Coming Up, the District's Third Cabinet Meeting

How fast the year goes. Another reminder that the third Cabinet Meeting of this Lions Year 2013-2014 will be here very shortly - Sunday, February 16. District Governor Dennis Butz has issued the call and he invites and encourages all members of the district to attend.

The meeting will take place in the Iron Lakes Country Club, located at 3625 Shankweiler Rd., Allentown. Directions were sent out with the original invitations, but a GPS or OnStar device will get you right to the door with no problem.

The day begins with a social hour from 12:00 to 12:50 p.m. Then follows the lunch that consists of marinated grilled chicken breast or vegetable lasagna, glazed baby Belgium carrots, oven-browned potatoes, rolls and

butter, a dessert of brownie with ice cream, and the liquid refreshments of hot coffee or tea and water.

The reservation deadline was February 1, so if you didn't make it by then, get crackin'! Checks are to be made payable to District 14-K Lions for \$20.00 a person and mailed to Zone Chairperson Lion Wendy Naugle, 6030 Sweetwood Drive, Macungie, PA 18062.

Persons on the Cabinet should have had their reports in to Cabinet Secretary Lion Cheryl Fatzinger on or before Friday, Feb. 1.

Those reports should interest every Lion, Lioness and Leo in the district and are an important tool of communication of what is being done and what will be coming in our own 14-K. If you've just

Super Bowl Breakfast by Coplay Lions

COPLAY LIONS CLUB has a public breakfast on every Super Bowl Sunday. In photo at left two of them made sausage and at right people help themselves to the ingredients. The Coplay Saengerbund was packed with patrons on February 2nd, enjoying the breakfast of scrambled eggs, ham, sausage, hash, pancakes, and toast, along with orange juice and coffee. The ladies also had a bake sale.

District Governor's Message

Setting Goals When Winter Turns to Spring

Greetings - Fellow Lions, Lionesses and Leos of District 14-K:

As I sit here writing this message it is 9 degrees outside and it feels like we have been in the middle of winter forever. It seems like the warm weather will never get here, but spring will only be about 45 days away by the time you read this. Want to make that time go faster? Why not get yourself involved in one of your Club's Service Projects or work on adding new members to your club. Our membership numbers are still slightly on the plus side for the year, but we still have a lot of work to do. Have you actively pursued new members through your friends, families, co-workers and acquaintances? We need to allow others to experience the satisfaction we get when all of our efforts and hard work pay off in making a difference in the lives of those less fortunate than ourselves. Remember, maybe all we need to do is "Just Ask."

International President Barry Palmer is encouraging all clubs to host a special event during "Family and Friends Month" in April. No one is more important to us than family and friends, but many of the people we are closest to don't know much about what Lions do. This is an opportunity for members to show their families and friends just how much your Lions Club means to your communities. Some ways to introduce your family and friends to your club would be to:

1. Plan an Open House where family and friends can learn more about your club.
2. Organize a Service Project and ask family and friends to participate so they can see and feel the satisfaction of service.
3. Host a Picnic to celebrate your club achievements with family and friends.

You can find more information about Family and Friends Month by logging on to the LCI website.

We're still in need of a candidate for the office of 2nd Vice District Governor for Lions Year 2014-015. We're asking any Lion who is interested to submit a letter of intent and an endorsement from your club to me before the February Cabinet Meeting. This is a great opportunity for you to Serve your District and Multiple District. Please consider stepping up to serve because it is a satisfying experience that you will cherish for the rest of your life.

Final plans are being made for our District Convention, which will be held Saturday, April 5th at the Days Inn Hotel on Airport Road in Allentown. We have many great seminars planned and the committee has been working very closely with the new hotel staff to iron out and eliminate some of the issues we had last year. ID Stacey Jones and his wife Mary from Florida will be our guests for the weekend and we look forward to hearing ID Stacey's message at the Saturday Evening Banquet. Our Necrology Service will be held on Sunday, April 6th. This is the service where we honor and remember our fellow members who passed from us this past calendar year.

I want to thank the Lower Lehigh, Mountainville and Whitehall Lions Clubs for promoting their clubs' Service Projects by having articles appear in the latest edition of the *Pride of Pennsylvania* magazine. Thank You for sharing your stories of "Delivering Dedicated Service."

As of January 1, our *Tattle Tailer* newsletter is no longer being sent to your home and is only available on an electronic format. You can access the newsletter by going to our District 14-K website (www.lions14k.org). We are asking the clubs to print copies for members who don't have a computer. Individual club news can now be attached to the end of each issue of the newsletter. Thank You for your cooperation and understanding with this major change.

Please continue to "Follow Your Dream" because YOU are making a difference when you "Deliver Dedicated Service."

DG Dennis

The Leo Rally is open to any Leo in good standing from any of the 131 Leo clubs with Multiple District 14. It will be fully supervised at all times by Lions, Lionesses, sponsors, advisors and other responsible adult volunteers, as necessary, including staff members from Beacon Lodge Camp.

Please note that the rally is open to any Lion/Lioness who is interested and is not only being held for those involved with the Leo Program or Beacon Lodge Camp.

Please contact District 14-K Leo Clubs Advisor Lion Judy Ott or District Governor Dennis Butz for applications and more information. Reservations, completed forms, along with full payment, are due by March 21, 2014.

To All Clubs!

We want to know of your special events and projects. 1st Vice District Governor's Message

Very Busy Time Ahead

It's coming up on a very busy time for us.

Our 3rd cabinet meeting is on Sunday, February 16 at Iron Lakes Country Club, 3625 Shankweiler Rd., Allentown. This is the cabinet meeting when the candidates for the 2014-2015 Lions year officially announce their intentions. **As of this writing, we do not have an announced candidate for 2nd Vice District Governor!**

Our annual District 14K Bowl-a-Thon is Sunday, March 9th. Contact Lions Jennifer and Erik Lynch for further information.

Raffle tickets for our District Convention on April 5th and 6th have been sent to the clubs. Please sell these tickets. The proceeds keep our convention financially in the black.

Please give the names of your upcoming (2014-2015 Lions Year) Presidents and Vice Presidents to your Zone Chairperson A.S.A.P.

The Youth Leadership Seminar information has been sent to all the clubs. The goal is to have each Lions and Lioness club send one High School 11th grade student to the seminar. (You can send more.) If you have any questions, please contact PDG Don Trexler or me.

Our clubs continue to do a great job in helping the less fortunate. Food bank donations from our clubs were great over the holidays. Please keep in mind that the need does not go away. Your help is needed more than ever this winter.

I'm starting the process of asking fellow Lions to serve on my cabinet for next Lions year. **If you would like to volunteer to serve, please contact me.**

Keep "Delivering Dedicated Service" as you "Follow Your Dream."

2nd Vice District Governor's Message

District 14-K Needs YOU!

I've been having a wonderful time as your Second Vice District Governor. Though I've been actively attending State meetings over the last two years as Global Membership Team chairperson, I'm getting a different perspective as Second Vice District Governor. I've gotten to meet some great Lions in our district, and in the State, something I'm not sure would have happened had I not taken this position. I feel I've grown as a Lion, and I've had some great experiences, things which would not have happened had I not stepped up!

As of now, our district does not have a candidate for Second Vice District Governor. I'm asking that you think about what we as Lions do for the less fortunate. Would you like to be a part of helping the district achieve its goals to help others? Are you organized? Do you like to meet new people? Are you willing to serve with the district leaders to grow and spread the news of Lionism in the Lehigh Valley? If you answered "yes" to any of these questions, I'm asking that you consider taking the next step and offer your services in the district. Feel free to contact me with any questions you have about the position.

Our next Cabinet meeting will be on February 16 at Iron Lakes Country Club. This meeting is open to anyone who is interested in hearing about what is happening in the district and what is planned for the future. Your club should have received an invitation. If you are interested in attending, and not sure what to do, please let me know and I'll see that you get an invitation.

Our District Convention is coming up on April 5th and 6th. I hope you plan to attend. Some of the sessions in the morning are offered to help train your incoming officers, but are open to anyone. You should receive an invitation in mid-February. Consider signing up for something so you can expand your knowledge. It's a great way to meet other Lions in the district, too! Our Necrology service will honor the Lions we lost last year to death. It is a beautiful service, and I hope many of you will attend.

Finally, don't forget about keeping and growing your club's membership. If your club is interested in either the *Club Excellence Process* or the *Just Ask!* Program, please contact me for more information.

Thank you for all you do for Lionism, and keep up the great work!

Christmas Cheer from Lehigh Township

MEMBERS of the Lehigh Township Lions Club went all out delivering 225 Christmas fruit baskets to Lehigh Township residents who are elderly, shut-in, widows/widowers, or elderly living alone. An annual tradition with the club since 1974, the Lehigh Township Lions purchase and prepare the fruit for delivery to the many appreciative recipients - that's 40 consecutive years! A Lions Roar to all of them shown in this photo by Wayne Benninger.

Tattle Tailer Crew

GONE are the days when leaders of District 14-K would gather at the dining room table of editor Bill Halbfoerster and fold, tape-seal and apply mailing labels to the district newspaper every month. This is a partial view from December that included Fred and Diane Folland, Bob and April Kucsan, Joe Chunko, Howard Bowers, and Elmer Baer. At times, Marvin Werkheiser, Jack and Gail Metcalf from the Bath Lions would join them. There are others. All deserve a hearty "Thank You!"

Mountainville Lions Club January Activity

Cheryl Fatzinger, Club Secretary

January 2014 finds us mostly "snowed in". We were able to host our Board Meeting on January 15th, with 15 members in attendance. The second meeting had to be cancelled due to the weather and low temperatures.

Our club purchased 8 winter coats and hats, scarves and mittens for students at the Roosevelt Elementary School in Allentown. President Dave Fatzinger delivered these "cold weather" items to the school on January 9th.

One of our members volunteers every Friday at the St. Vincent de Paul Society Food Pantry located in St. Paul's R.C. Church on Susquehanna Street in Allentown, PA. Our club collects pancake mixes and syrups at every meeting.

Two of our members attended the Charitable Enterprises Meeting on Jan. 20th, and also plan to attend the Tattle Tailer Meeting on Jan. 27th (weather permitting).

Our members continue to collect used eyeglasses and recycle cell phones and printer cartridges.

Our club approved the 100% contribution to the District 14-K Projects!

Backup Plan

Any plan needs a backup. Just like we are looking for someone to help the Tattle Tailer Editor with monthly assignments, the district should have a backup plan in place to publish the newsletter in the event the web master is not able.

If you have an interest in learning the basics of web publishing and have some basic technical skills, then please contact Joe Sizer at ljons14k@ptd.net. He will help you learn how the monthly Tattle Tailer newsletter is combined with updates from club activity news. You will also learn about HTML and how to update the web site page with the latest edition.

District 14-K still needs a candidate for 2nd Vice District Governor for Lions Year 2014-2015
