Convention Committee Finalizing Details for April 27-28 Event

The district convention committee met on Monday, January 28 in Christ UCC Church, Schoenersville. Final preparations were made before the registration forms are sent for the 34th annual convention on April 27-28 in the Holiday Inn along Rt. 100 & I-78.

District Administrator Lion Joe Sizer will get the e-mails of as many Lions and Lionesses as possible, and many forms will still be sent by regular mail, between now and March. DG Karlene Laub explained that an overload of e-mails could mean the loss of that

means for Sizer. When the Lions or Lionesses receive the forms, they will send their responses to PDG Linwood Gehris, 6357 Pinecrest Lane, Macungie, PA 18062-9373. The only charges will be for the meals, the same as in 2018.

After the opening session on Saturday morning, there will be four seminars, with the first two from 9 to 10 a.m. and the second two from 10:15 to 11:45 a.m.:

(1) Angel 39, led by Doug and Linda Sheriff. They will discuss the battle against childhood can-

District Governor's Message

Helping The Needy
Survive the Winter

I decided that since the temperature has gone from 1 degree to 3 degrees in three hours with a wind chill of -16 degrees, that I'm not setting foot outside and hopefully you don't either when the thermometer drops this low. What a better way to spend my day than writing my Tattle Tailer letter with a cup of hot coffee? Well, I can think of better ways to spend my time. How about winter on a Caribbean Island? That's more like it. Anyway, hope everyone is staying warm.

Speaking of keeping warm. What are you doing for those who are homeless and spending these frigid days outside? What are you doing to help those families who don't have enough money to afford heat for their homes? What are you doing to help the parents who don't have money or means to afford coats, gloves, hats, etc. for their children? What are you doing for the many children who can only get a hot meal in school and have nothing else to eat at home or on week-ends?

As I visit clubs throughout Lehigh and Northampton County, I hear the same message from many; "We're such a small club and you know we're all getting older." To that I say, "Hog Wash"! Your goal as a club should be to do what you can with the numbers you have and to invite neighbors and friends to help in those service projects. Anyone can collect coats, gloves, hats, blankets, socks, etc. How about partnering with one of the senior living centers or churches and ask the ladies there to do knitting for your club? How about having a coat or glove drive? How about wrapping a pack of crackers, hand warmers and other snacks in a pair of winter socks with a rubber bands to hold it in place?

Most people won't read this. Take this Tattle Tailer to your next meeting and read my column out loud. If you do read this, and your club adopts this project, send me an email and I will see that Rooster gets the packets to hand out to the homeless. He lives here in Slatington and I can get them to him. Let's see how many people actually read my column. I saw elementary children in Philadelphia doing this project. Surely, everyone, no matter the age, can do a service project like this. How many of your clubs actually asked PDG Marsha Johnston, District Global Service Chair, to come to your club with her service project suggestions? Remember Lions, "WE SERVE" is what we are all about. Never have you heard the motto "We Fundraise".

I have 6 months left in my term as District Governor. I get reports every month showing service for District 14-K. I would be thrilled to see an increase in service. Make sure your secretaries are reporting service to LCI each month including personal service you do as a Lion in your community. Ask them if they are reporting your meetings. Our District Administrator is reporting that many of our clubs have no service to report. Really??? No meetings??? No one taking their neighbors to the grocery store?? No one taking their friends to a doctors appt.??? No one doing meals-on-wheels??? These things are all community service.

I am looking forward to hearing from all those who actually read my article. Shoot me an email at karlenelaub@gmail.com.

1st Vice District Governor Message

Electing Strong
Leaders In Our Clubs

It's a Great Time to be a Lion, Leo and Lioness!

Congratulations to Lion Daniel Lombardo for stepping up and becoming our newly appointed 2nd Vice District Governor. We wish him the very best as he begins his journey becoming our 71st District 14-K governor.

The next few months are very important for our Lion Clubs as work begins on the selection of new officers for the ensuing year. In February, you typically select your officers; in March, the slate of officers is read at your regular meeting; and in April, elections are held. Remember to select strong leaders that will continue to grow your Club and prepare it for the future. There is a lot of training available to new officers on the LCI website to help prepare them during the months leading up to their installation.

The 3rd State Council Meeting is February 1 - 2, 2019, at the Altoona Grand Hotel, 1 Sheraton Dr, Altoona, PA 16601. The 3rd District Cabinet Meeting will be held on Saturday, February 16, 2019, at the Hamilton Family Restaurant, 2027 Hamilton St., Allentown, PA 18104.

Plans continue for the District 14-K Convention on April 27 - 28, 2019, at the Holiday Inn in Breinigsville. I encourage you to attend the informative seminars, Saturday luncheon, and the District Necrology Service on Sunday morning. If you haven't been to a District 14-K Convention lately - please make an effort to attend this year...and please sign up early. We need your support so we can continue to support you in the years to come!

I will be attending the District Governor Elect "bootcamp" training seminar the week of February 11, 2019, at the Q Center, St. Charles, IL. This is the first year Lions International is conducting this seminar at this location. In the past it's been held in West Virginia. The Q Center is a college campus, complete with dorm style rooms and a cafeteria. I'm afraid the seminar schedule has us meeting day and night for the week, but, if we are good students - we may get a road trip to the LCI Headquarters (50-50 chance).

In Lionism,
1st VDG Don Kaufman

The new club was sponsored by District 14-K and was given a club banner, gavel and bell. DG Laub also presented a patch for their banner. Lion Kaufman said he was proud of the women in becoming Lioness-Lions and invited them to join in all of the district's activities, wishing them all the best. As the program ended with the benediction given by Lion Lombardo, club president Jen Risko said they accepted their responsibilities, asked for everyone's support, and then used her gavel to ring the bell of closure.

Now serving as zone chairman for Region 1, Zone C is John Weremedic.

When an election is held at the district convention on Saturday, April 27, a district governor and 1st vice district governor will be elected. At this point, there is no candidate for 2nd vice district governor.

PDG's, Club Presidents to Nominate Persons for Service

At their PDG Advisory Committee round table meeting on Monday, Feb. 11, the Past District Governors will nominate one person who they recommend to receive the new "Devotion to Service Award" at the District 14-K Convention on Saturday, April 27.

District Governor Karlene Laub said, "A large portion of my year has been focused on service. There are many unsung heroes within our organization who are not recognized for the service they provide, not only as a

Lion, but also as an outstanding member of their community. The Executive Committee has approved the establishment of a 'Devotion to Service Award'. There will be three (3) awards presented at the district 14-K Convention in April. We are inviting the Past District Governors to nominate someone from the district for one of the awards."

Letters will be sent to all club presidents as well, inviting them to nominate someone for the additional two awards.

She listed the criteria for consideration for the award:

(1) Must be a Lion in good standing within our District

(2) Must NOT be a current member of the Executive Committee

(3) Must have gone above and beyond in service to their club

(4) SHOULD have shown service to the District and participated in District projects and fundraisers

(5) Should show additional service to their community at large.

The PDG's will collectively decide on one nominee on Feb. 11. Deadline for all other nominations from the clubs is Saturday, March 9, 2019. The committee designated to this project will meet the week following the March 9 deadline, and name the three winners.
