Nominate a Club Member For a Melvin Jones Fellow

Mark your calendars: The District 14-K Lions Melvin Jones Fellows honor luncheon will be held on April 24, 2016.

LCIF district chairperson PDG Joseph Chunko is asking all Lions and Lioness clubs to be part of this honors luncheon by naming a member of their clubs to receive a Melvin Jones Fellowship or a Progressive Melvin Jones Fellowship. He asks that if your club needs assistance in applying for one or the other, contact him at 610-838-9373.

District 14-K has 465 Melvin Jones Fellows and 33 Progressive Melvin Jones Fellows.

The MJF program was established in 1973 in honor

of Melvin Jones, the founder of Lions Clubs International. The fellowships are given to individuals in recognition of unrestricted donations of \$1,000 to Lions Clubs International Foundation. Such a contribution illustrates a significant commitment to humanitarian service and allows LCIF to perform such miracles as preserving sight, combating disability, promoting health, and providing disaster relief.

New Melvin Jones Fellows receive an MJF pin, commemorative plaque, and a letter from the LCIF chairperson. If the donor so chooses, he/she may use his / her donation credit to

The Future State Convention Committee Of Our District Works On Details For April 2-3 Parley

District Governor Karen Brady called for a special meeting this past Saturday, January 2, at Christ U.C.C. Church on Airport Road, Allentown.

It was a critical meeting with the purpose of mapping out the future of our district. She hoped that all Past District Governors, Lions and Lionesses would come prepared to discuss our leadership succession plan, declining membership, and our future as District 14-K.

We will publish the conclusions that were reached at that meeting in the February issue of the *Tattle Tailer*.

To make a convention successful, there are so many details that have to be considered, and the District 14-K convention committee is doing just that. They met again on November 30 to continue planning for the April 2 and 3 convention at the Holiday Inn Conference Center in Breinigsville at the intersection of I-78 & Rt. 100.

International Director Kembra L. Smith of Decatur, Georgia will be our keynote speaker. She will be introduced at the opening session Saturday morning, attend or be involved with seminars, and speak at the Saturday night banquet. I.D. Smith will be accompanied by her husband, Lion William Lowe.

When registration forms are mailed out on January 16 to each Lion and Lioness, the returns will go to registration chairperson Lion Shirley Hawk. The individual Lions and Lionesses will send in their registration with the amount of money for meals, not the clubs. There will be no charge for

registration, unless you are late. The forms will also list the seminars planned by Lions Wendy Naugle and Ana Toolan.

Door prizes for the Saturday afternoon luncheon will be handled by Lion/Lioness Kathy Dieter and members of the Lehigh Township Lioness Club. Each club is asked to provide at least two prizes. If giving a basket, it should have a value of \$25 to \$50.

John Bauer will again sing at the necrology breakfast on Sunday morning. A pastor will be named soon to deliver a message and persons who passed away during calendar year 2015 will be remembered. Relatives of the deceased will be invited by their clubs to attend.

Holiday Inn sales coordinator Sarah Trimmer met with members of the committee recently to discuss the service, accommodations, and meals.

Raffle tickets will soon be sent to all clubs to help

District Governor's Message

Happy New Year!

I want to wish every Lion, Lioness and Leo in District 14-K a Happy New Year! January first is a time we tend to make New Year's Resolutions. While most of us don't keep them for long, or don't keep all of them for long, I have some New Year's Wishes I want to share with you.

I wish that we would all "Ask 1" to join us in a service project, fund raiser, or meeting.

I wish that we would remember my theme, "Service Through Leadership."

I wish that you would consider serving our district by volunteering to finish the year as 2nd Vice District Governor, to assist 1st VDG Marsha next year and follow her to lead the district the following year.

I wish that you would volunteer to serve on district cabinet.

I wish that our Lioness clubs would consider joining Lions.

I wish that you would take me seriously. As we begin the 2016 year, let's start off on a secure footing with newly identified leaders who we can nurture and prospective Lions identified so we can continue to serve the less fortunate in the Lehigh Valley and beyond.

Thank you in advance for your continued support.

Yours in Friendship and Service,
DG Karen

Lionesses, Want To Change to Lioness/Lions?

Lion Debbie Lillegard, District 14-K Global Membership Coordinator, had this announcement at the recent Cabinet meeting.

Lioness clubs are being offered the opportunity to pay a \$300 flat fee one-time charter fee, regardless of the number of members, to become Lioness/Lions Clubs.

This is basically a processing fee to input data into the official Lions system. The District Governor must write a letter to LCI saying that they served as a Lioness club and provide a list of members' names, years of service, and position served.

Lion Debbie says, "This certainly is a wonderful incentive for some of our larger Lioness clubs to

become a Charter Centennial Club with the new pins and certificates. This special incentive ends June 30, 2017."

The women of Emmaus Lion/Lionesses have proven very successful as a club.

honor another individual with a Melvin Jones Fellowship.

Today, MJF donations account for 70% of the Foundation's annual revenue. It is largely through the support of this program that LCIF continues to be a leader in providing humanitarian service throughout the world.

Clubs can also donate to LCIF through the Melvin Jones Fellowship program. With their donations, clubs can name individuals as MJFs and PMJFs. Many clubs have

1st Vice District Governor's Message

Finding Leadership in 2016

Happy New Year! I hope you are looking forward to a new year with many new adventures in Lionism. With the arrival of the new year, many of us make resolutions. Consider making a resolution in your clubs to get out the word announcing our 100th celebration as Lions. Set some new goals in your clubs such as increasing membership, encouraging new leadership, and begin a new service project. There are many avenues to pursue. Don't forget to check LCI for other suggestions!

Leadership in our district is at a critical stage. DG Karen and I have asked many Lions to step up. Obviously we have not been successful. At this time there is no one to follow me. This is very concerning. The business of the district cannot rest on the shoulders of the District Governor. It takes many dedicated Lions to spread the word of Lionism and offer support to each club. As DG Karen and I visit clubs, we will ask you to consider how you can serve the district. If you are reluctant because you feel you are not trained, you will be given full support by myself, DG Karen, and our GLT chair, Linwood Gehris.

As we begin 2016, DG Karen and I will continue with our club visits. It has been my pleasure to attend your meetings, but most of all, I enjoy getting to know you. I have been welcomed and made to feel as if we are old friends! Thank you.
