Charitable Enterprises

Brandon Young and his mother, Lori, attended our Charitable Enterprises, Inc. meeting last November to give us an update on Brandon and his experiences at Camp Setebaid this past summer. We have sponsored Brandon at the Camp for 2 years. He is a Type 1 diabetic, diagnosed about two years ago. Lori reported that Brandon is becoming more self-sufficient and is managing better on his own. He uses a pump and a constant glucose monitor. Lori gave him her FitBit so that when she gets an alert from the monitor she can get his attention, so he take care of it promptly. Brandon talked about his experiences at camp and gave us pictures. Lori now volunteers to help raise funds for the camp. He is hoping that Charitable will cover his camp fees in 2020. Brandon wants to someday be a counselor at the camp.

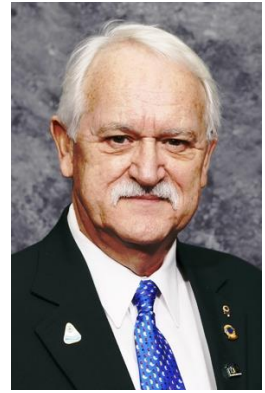

Brandon and Lori are willing to visit Lion clubs to talk about Type 1 Diabetes and also, help out with lion club projects. If interested, let PDG Joe Know and he will get you in touch with Lori Young.

It's a Great Time to be a Lion, Leo and Lioness!

Message from 1VDG Dan Lombardo

Happy New Year!

As the Holidays come to an end, I think about all the Good the Lions have done in 2019. All the Good the Lions have done in their communities, all the good the Lions have done in our country and all the good the Lions have done around the world. What a time to be a Lion! As we turn to 2020, we as Lions are striving to do much more. The Lions Foundation is there with hundreds of millions of dollars, on call for any disaster anywhere in the world! Let's show everyone what over a million Lions can do and try to recruit even more to help even more!

As my training for District Governor intensifies, I can see more and more how we can reach out and help the World be a better place. With my visitations to Clubs continuing with District Governor Don Kaufman, I get to meet so many gifted Lions from all over the District making differences in people's lives every day! I appreciate all the Hospitality and Courtesies afforded us. Let's make 2020 the Best year ever to be a Lion!

It's a Great Time to be a Lion, Leo and Lioness!

In Lionism,

1st VDG Dan

Congratulations, Lions!

Lions, you did it. Together, we helped screen more than one million people around the world for type 2 diabetes!

International President, Dr. Jung-Yul Choi would like to give you a personal thank you.

Thank you to everyone who participated in this monumental event. And remember, even though our challenge is over, there's still a lot you can do to help. Continue *making your mark* by organizing a diabetes screening in your community and reporting your service to Lions Clubs International.

Message from 2VDG Debbie Lillegard

Dear Lions, Lioness and Leos,

As I write this message, we are one week out from Christmas. Where did the month go? I trust you are enjoying time with your family and friends, and focused of the real reason we celebrate.

Looking back.

Recently my husband and I were watching a Hallmark Christmas movie. I verbalized how much I (used to) really enjoy this time of year in Montana: especially the small town atmosphere, the boutique mom-and-pop shops, the Christmas strolls, etc. Some of you may still live in these proverbial picturesque small town settings.

Times change.

Now we have the convenience of shopping at our fingertips. Some shoppers like to touch and feel the items, while others need the convenience of click and point. If you are the latter, did you know some retailers will donate a percentage of your purchase to a charity of your choice? While I'm not endorsing any retail operation, here's a noteworthy tidbit: **Lions Clubs International Foundation** recently received a quarterly donation of \$627.86 thanks to customers shopping at smile.amazon.com. To date, **AmazonSmile has donated a total of \$8,662,35 to LCIF.** That's a way of giving with twice the bang!

Looking forward: 2020 and new beginnings...ready, set, go!!

Keep the momentum going: We're nearing the halfway point of the Lions year. Now's the time to assess your clubs progress toward goals that were set. It's up to you, Lion Leaders and zone chairs, to make sure that members are being engaged, inspired and motivated.

Service Reporting is Key: Let's all work together to increase the percentage of service projects reported in the coming months. Reporting is quick and easy, and there are resources available to help you every step of the way.

Membership Grants: The impact of Lions' service relies on continued membership growth, as well as strong year-over-year member retention. To support your ongoing membership efforts, Lions International offers three types of membership developments grants (Standard; Large-Scale; Special Initiatives) designed to help fund specific member development activities.

District Funding for Success Stories: \$500 available (one per district) to each district who submits its success stories by 3/31/2020. If your club has an impressive success story, share with D14k GAT members for consideration.

REQUIREMENTS:

Include ALL:

- involvement of the GAT, and
- a minimum of 350 words, and
- have occurred after 7/1/2017, and
- describe the results/outcome of your story.

Include at least ONE of the following:

- show an impact as a result of action, or
- inspire the reader to do something, or
- show an action that can be taken by the reader or
- allow the reader to learn something.

In closing, I'd like to share PID Cindy Gregg's words:

"To be kind is more important than to be right. Many times, what people need in not a brilliant mind that speaks, but a special heart that listens." EMPATHY is the most important skill needed today.

"Before you speak, let your words pass through three gates: Is it true? Is it necessary? Is it kind?"

***HAPPY NEW YEAR 2020:
May YOU and YOUR CLUB have a HEALTHY ONE!***

In Lionism,

Debbie Lillegard

Dear International Board of Directors,

Lions Clubs International delivers support to our clubs and members around the world so we can advance our global mission of service together. The international support and work of Lions Clubs International is fueled by the international dues of our incredible members.

In recent years, it has become increasingly clear that the services Lions Clubs International has been able to provide to members with the available budget is no longer in line with what Lions need and expect.

Our executive officers undertook an extensive review of Lions Clubs International's financials, including the implementation of substantial budget reductions. After much consideration, we are proposing to increase dues effective July 2021, by \$3, then adjusted annually for U.S. inflation. We propose using a three-year inflation average not to exceed 3.0%, but also not to be lower than 1.5%.

We realize the organization has been reluctant to adjust dues over the years. We have not adjusted international dues since 2011. The option we're proposing will help us cover our costs and allow us to suitably serve our members' needs. With that said, we do not take this issue lightly, nor are we minimizing the value of each dollar that our members contribute.

When we consider a dues adjustment, it is essential that we keep in mind that our global efforts and initiatives support more than 1.4 million members in 48,000 clubs around the world. Through the support of staff that we are able to serve globally on the level that we do, keeping members and clubs fully supported with service resources, training software and events, club operational support, international meetings, language services, technology, Foundation support, leadership support, and everything else we have come to expect as Lions.

A dues adjustment will allow Lions Clubs International to provide improved support to Lions and to continue to invest in improving programs and digital products such as our website and MyLion. It will also allow us to invest in new programs such as the Learning Management System (LMS), development of new curriculum such as digital literacy, training videos, global advertising, marketing automation, digital and video storytelling and others tools and initiatives that will enhance our impact, our brand, and our membership.

Essentially, we have to decide whether or not we want Lions Clubs International to continue to grow and thrive.

Lions is a way of life and an investment of money, time, energy and passion. As with any good investment, the more we put in, the more returns we see. I hope that you will see this proposal as we do: as an investment in the future of Lions.

Through your support, we can ensure that Lions are positioned for success in the future.

Regards,

Jung-Yul Choi

Lions Clubs International

Overview of proposed international dues adjustment

The Executive Officers are proposing an international dues increase effective July 2021 of \$3, and then dues adjusted annually for U.S. inflation. We propose using a three-year inflation average not to exceed 3.0%, but also not to be lower than 1.5%.

Lions Clubs International completed a rigorous financial review and took the following steps to reduce expenses:

- Operating budgets were reduced.
- Vendor contracts were renegotiated to yield savings.
- Programs were cut after thorough review and consideration of Return on Investment (ROI).

Despite these reductions, the international dues adjustment is needed because:

- International dues have not been adjusted since 2011, but the cost of doing business has increased due to annual inflation.
- Supporting a global organization with more than 1.4 million members and 48,000 clubs requires extensive resources.
- Innovations in technology and communications require organizations to invest in infrastructure and products that can increase impact, connections, and efficiencies.

The additional funding will enable Lions Clubs International to:

- Launch and expand our new online Learning Management System (LMS)
- Refine and evolve MyLion
- Continue to build and maintain our international website, lionsclubs.org
- Develop new leadership and training curriculum such as digital literacy
- Enhance global advertising and storytelling to elevate our brand and brand awareness
- Build marketing kits to provide clubs, districts, and MDs with the tools to leverage the power of the Lions brand
- Amplify our support of global causes and create new service resources
- Invest in membership initiatives that can revitalize our districts and clubs

The dues adjustment will position Lions Clubs International for future success so we can:

- Provide the level of support that members expect and the world-class membership experience they deserve.
- Keep Lions at the forefront of innovation, which is key to enhancing our impact now and engaging the tech-savvy members of the future.
- Keep Lions growing all over the world.
- Remain the global leader in humanitarian service.

ALL PROCEEDS BENEFIT LIONS PROJECTS

PCC Karen Brady introduced the “Pringle’s Challenge” at our District 14-K Cabinet Meeting in November. What a great and simple way for any club to support childhood cancer!

Our Partnership with Four Diamonds is ongoing. However, this year’s contributions are not flowing in very quickly. We are beginning a short-term challenge to help kick start our donations. The challenge is called the “PRINGLES CAN CHALLENGE”

Pringles come in 3 sizes: personal snack size, a 2.3-ounce size, and the full size can.

The Main Challenge is for each Lion, Lioness and LEO to fill the 2.3 ounce can with pocket change between now and the February Council Meeting.

The Mini Challenge is to do the same with the snack size can.

The EXTREME CHALLENGE is to fill a full size pringles can.

There are 2 ways to turn in the funds collected:

1. Bring the filled and counted pringles can to the February Council Meeting (Not Recommended)
2. Encourage your clubs to have a “counting party” to count and wrap the money, taking pictures as you do so. The club would deposit the money in their Activities Account and write a check to Four Diamonds and send to Karen Brady. Please email Karen for her address. Included with the check should be a list of those who contributed and the amount. Also, please include your club name and district so that when the funds are sent to Four Diamonds, everyone will be credited with their donation.

Make this a fun event, Be sure to report the service on MyLion. Why not go to Sam’s Club and purchase a couple of cases of the 2.3 Ounce cans and then give one to every club member who will help you to kick off the challenge. Have Fun with this Challenge. You could place Cans around the community and ask for pocket change. Use your imagination and go for broke.

To: All Lions and Lioness Clubs,

Lions District 14-K (Northampton and Lehigh counties) will have our 35th annual convention on the weekend of Saturday and Sunday, April 25 and 26, 2020 at the Holiday Inn & Conference Center, located at Interstate Rt. 78 and Pa. Rt. 100 in Breinigsville.

Once again, it will be a large gathering of dedicated Lions, Lionesses and Leos who serve their communities in the Lehigh Valley. There will be seminars of inspiration to serve and displays by local organizations that work with Lions.

At the Saturday afternoon luncheon, we will hear an address by International Director Robert Block from Illinois; have the annual honors recognition of Melvin Jones Fellows; see Peace Posters and award the young people who drew them; and have other activities of interest.

The convention will conclude on Sunday morning with a non-denominational worship service and breakfast in which members who have passed away in the year 2019 will be remembered and honored. We express our condolences to the families of the Lions and Lionesses lost.

As a part of the convention, everyone attending will receive a booklet outlining all of the programs, which will occur that weekend. To help support the cost of running this convention, there are ads in the booklet, not only from clubs, but also organizations with whom we are associated, and businesses in the communities that we patronize.

Enclosed with this letter is a form you are asked to use, on which you may select an ad size of your choice, and on which you will note the message you want to convey. The prices of these ads are affordable – \$50.00 for a half page; \$100.00 for a full page on the inside, and \$25 for a quarter page. The cover pages at \$100.00 each are reserved for DG/VDG candidates. There is no extra charge for photos or illustrations that are digitally produced.

We ask your kind cooperation in placing as large an ad as you can afford, and submit the copy on the form, with a check made payable to District 14-K Convention and sent to my address, 4000 Fish Hatchery Road, Allentown, PA 18103. **It is imperative that this is sent to me as soon as possible, no later than March 6, 2020, so the booklet can be laid out, set up, proof read and printed in time for the convention.**

Thank you, and best wishes for a Healthy, Prosperous and Peaceful New Year 2020.

Sincerely,
DG Don Kaufman
Booklet Chairman
