District 14-K Selected As Accessibility Champion

Douglas A. Yingling, Executive Director of the Center for Vision Loss, has announced that Pennsylvania Lions District 14-K has been chosen as the recipient of the agency's 2018 Accessibility Champions Award.

The announcement was made in a letter by Yingling and Dennis W. Zehner, Director of Development and Marketing, to District Governor Donald Kaufman and District Governor-Elect Karlene Laub. It went on as follows:

"The timing of this honor is poignant as five Lions clubs in the District area formed two agencies in 1928 to benefit the blind and visually impaired. Nearly 90 years later that legacy lives on in the Center for Vision Loss, which represents the merging of those two agencies (in Northampton and Lehigh Counties.) The Lions of Pennsylvania's District 14-K are an indelible part of our

organization's history and an indispensable part of our present impact. We also hope that your members will be part of our future success.

We will present Lions District 14-K with our Accessibility Champions Award during our new fall dinner event - Lehigh Valley Night4Sight. Along with the award presentation, the event will include an inspiring keynote presentation by 1992 Paralympic Gold Medalist Pam McConigle.

The event will be held on Thursday, October 18, 2018 in the Iacocca Conference Center at Lehigh University in Bethlehem.

We would be happy to answer any questions that may arise, and we look forward to collaborating with you in the coming months. We offer our sincere congratulations to your district organization and all its member clubs on this uniquely well-deserved honor."

The annual District 14-K Bowl-A-Thon was held at two locations on Sunday, April 22 - Jordan Lanes at 73 Jordan Parkway, Whitehall and at Hampton Lanes, 326 Main Street, Northampton. The Lions, Lionesses and Leos bowled one game each from 1:00 to 4:00 p.m. The site chairpersons were Lion Debbie Lillegard and Lion Diana Toolan.

Pledge sheets were sent to all the club presidents for their members. The pledge amount is per pin based on the bowler's score, or a flat donation of as many dollars the bowler is pledging. The highest pledge bowlers

Lions Katrina and Rachel participated on behalf of the Saucon Valley Lions Club at Hampton Lanes in Northampton.

bowler will receive \$25.00.

No money was collected the day of the bowl-a-thon. Each bowler is responsible for turning in their donations received to their club treasurer. The club treasurer will write one check covering 40% of all donations received by the bowler, made out to District 14-K and mailed to Lion Debbie Lillegard, 8519 Putnam Court, Breinigsville, PA 18031. The bowlers all had a good time of fellowship, whether they had a good game or not. The most important thing is that they were raising money for sight-related needs in the district.

District Governor-Elect's Message

We Need To Be Good Lions

This Lions year has gone so quickly. I'd like to thank everyone including DG Don Kaufman for allowing me the opportunity to follow him around to the clubs and events in the District and to learn so much about being a Lion that I didn't know before. It has been challenging at times since we didn't have a 2nd VDG. There were events and meetings we would like to have attended but had other commitments in the District.

I am concerned about what will happen to District 14-K and the fact that we may need to re-District. Regardless of what this District is called, I am confident that the clubs are doing great things for the people in our communities and that this work will continue. I know that all the people who need eye surgeries, those who need hearing aids, those who count on us at the food banks and the organizations that rely on us to support them (i.e. the Center for Vision Loss, Beacon Lodge, Leader Dog, etc.) will be able to count on the Lions of District 14-K to come through for them. Just like me and all those who have come before me, it may be scary to think about stepping out of your comfort zone to take a step up in the District, but we need you to keep our legacy alive.

We need to be good Lions, to motivate others to learn about what it means to be the best Lion you can be and the need to volunteer and serve those who need us, regardless of who they are or where they live. I know you've heard it before but I can't say it enough, "If everyone would just give a small portion of time or talent, the world would be a better place." Find out what the needs are in your community. Find out who in your community needs help but are afraid to ask. Volunteers are the very heart of our existence.

My focus this year will be on service. After all, our motto is "We Serve". In 2018-2019, I will be changing the way I do Governor's visitations. Your club will be receiving a letter shortly to explain. My goal this year is to meet as many Lions as possible and work side-by-side with you on your service projects. Please consider stepping up and working with me through some changes that I hope will bring a new excitement to our District.

Gov. Elect Karlene Laub

16, 2018, September 17, November 19, January 21, 2019, March 18, and the Reorganization Meeting in May to be determined.

Please note: We need the help of all our clubs and Lion members to help us sell the 2017-2018 Charitable Enterprises lottery calendars. This is

our only major fund raiser at this time. We are receiving many requests from low income citizens for help in getting various eye surgeries.

If you have any questions or concerns, contact DG Joe Chunko, president, at 610-838-9373.
