# TATTLE TAILER

District 14-K Communicating with Our Members

Vol. XXIX, No. 5

November 2015

Bath Lions president Rev. Jay R. Wetzel and District Governor Karen Brady stand next to the club's banner.

## District Governor Brady Making Visits to Clubs

District Governor Karen Brady has made more than 16 visitations to Lions and Lioness clubs throughout District 14-K the past couple of months. That's almost half of the visits she will make this Lions year 2015-16.

Membership is one of her primary goals and leadership is another. First of all, she would like to boost the District's Lions membership to 1,250. That's really the number Lions International stresses, and our district at last report was at 919. She emphasized the need for members, including at the District level, where there remains

an opening for 2nd Vice District Governor. We are at risk of merging with District 14-U in the Poconos as we lost three clubs. So you can see, we have a considerable amount of members to bring in just to reach the goal.

One of the clubs she spoke to was the Bath Lions, home club of your editor. Only a few years ago we had 39 members. But as time took its toll and members either passed away or were dropped for lack of paying dues, that number has dropped drastically. Our club secretary suggested in his newsletter, "If our

**Continued on Page 2**

## Club Plants Tree

The Bethlehem Township Lions Club has planted a tree at the Bethlehem Township Park as an environmental project. Although it's relatively tiny, they expect it will grow into a beautiful display with time. They have planted other trees at the park as well. The club has used the park building for events and its members are happy to give back to the community.

## Next Cabinet Meeting on Nov. 14 at The Meadows

The second Cabinet Meeting for Lions Year 2015-16 will be held on Saturday, Nov. 14 at The Meadows, south of Hellertown at 1770 Meadows Road.

All Lions, Lionesses and Leos of District 14-K are invited and encouraged to attend. It will start with a breakfast at 9 a.m. On the menu are ham and cheese frittata, western egg frittata, cheese egg frittata, bacon, ham, potatoes, sausage links, french toast soufflé, danish, fruit, toast, butter and jelly, coffee, tea, orange juice and cranberry juice.

The business meeting will follow immediately after the breakfast.

Reservation deadline is Tuesday, Nov. 10. Mail your reservation(s) and check for \$9.00 each, payable to Lions District 14-K, to Zone Chairman PDG Joseph Chunko at 1090 New York Ave., Hellertown, PA 18055.

District Governor Karen Brady invites you to continue "Service Through Leadership" by identifying future leaders of our clubs and district. Leadership is a form of service. International President Dr. Jitsuhiro Yamada has chosen "Dignity. Harmony.

Humanity" as his theme for this year. **Dignity** through humanitarian service, **Harmony** through cultural exchange and joint global projects, and service to **Humanity**.

### Special Guest

We will have a special guest at the Cabinet meeting. Council Chair Terri Kodgis will be visiting us. As council chair, she will visit each district in the state over the 2015-2016 year.

Council Chair Terri is a member of the Johnstown West End Lions Club in District 14-J. She has served in various positions in her club and district, and has been honored to receive the Melvin Jones Fellow and Lions of PA Foundation progressive fellow recognitions. She is married to 1st Vice District Governor Ron Kodgis.

Her personal theme is "Today a Reader, Tomorrow a Leader." DG Karen thought it would be a nice idea if we could bring new or gently used children's books to the Cabinet meeting to present to Council Chair Terri. She will have a table available for any books you might bring with you.

DG Karen says, "I hope you will attend the upcoming Cabinet meeting and join me in welcoming Council Chair Terri and 1st Vice District Governor Ron."

Council Chair Terri Kodgis

Committee reports will cover the latest information on the many projects that the Lions are doing as "We Serve."

It's a Saturday morning, so for most Lions, Lionesses and Leos, the dress would be casual. But for Cabinet officers and members the dress is formal winter greens, which consist of green blazer, gray pants, white shirt, shoes and

**Continued on Page 3**

## Additions to Report of Past Cabinet Meeting

Due to lack of activities in October, there is adequate space to report on some information that came out of the August Cabinet meeting, which was not included in the September issue.

The Global Membership Team coordinator, Lion Debbie Lillegard noted that, unfortunately, after the excitement of reaching 1.4 million Lions in April 2015, LCI membership numbers dropped to 1.37 million members during the July reporting period, sadly the highest number of drops in more than 20 years! Every cabinet member, club presi-

dent, membership chairperson, and committee member is being challenged to be a role model and sponsor a new member.

The Global Leadership Team coordinator, PDG Linwood Gehris, noted that our District is still in need of a Second Vice District Governor candidate! We all need to work harder to identify a candidate.

L.C.I.F. Coordinator PDG Joseph Chunko said the Melvin Jones Fellow honor luncheon has been set for Sunday, April 24, 2016 at 12:30 p.m. in the Leithsville Fire Co. banquet hall. Now is the time to

start thinking about honoring a deserving Lion or Lioness to receive an MJF plaque or PMJF pin to be presented at that luncheon.

PDG Bob Kucsan is taking a break and will not be setting up a display of his pin collecting at the April 2-3 convention.

IPDG Fred Folland is available to speak at club or zone meetings. He has been asked to take over the Reading Action Program.

Lion Dick Schreiner has copies of forms and letters for zone chairpersons to hand out to clubs at future zone meetings about White

## District Governor's Message

### Pa. Lions Sight Conservation & Eye Research Foundation

The Pennsylvania Lions Sight Conservation & Research Foundation held the annual research seminar in mid-October. What an eye opening experience! No pun intended.

Six researchers gave us updates on the progress they've made in their research. Topics included retinal degenerative diseases, macular degeneration, glaucoma, dietary supplements and their relevance in treating retinal diseases. As we age, macular degeneration will become a reality for more of us, and I found the discussions on this topic interesting. Do they have a cure? Not at this time. Early detection is the key to saving what vision we have. We should all be more aware of changes in our vision and visit our eye care specialist at the first sign of a problem.

Another interesting presentation had to do with a new delivery method for eye drops. For those with glaucoma who must give themselves eye drops on a daily basis, or for those who have had recent surgery and need to follow a regimen of eye drops, getting those drops in your eyes isn't always the easiest thing to do. My mother has arthritis, and she struggled getting drops in her eyes after recent cataract surgery. One of the researchers is working on a type of drop that is liquid at room temperature, but becomes a gel as it warms up. The drop is placed in the pocket formed by pulling out the lower eyelid. The gel that is formed is non-irritating. It is currently being tested on rabbits. The gel releases medicine over a 30-day period. At the end of that time, saline eye drops are used to flush out the remains of the gel. This is an extremely interesting concept for those who have difficulty with the small bottles that eye drops come in.

If you still have the coin cards that PDG Glen Santee has handed out for a number of years, consider filling them or writing a check to the Foundation. The grants the Foundation gives allows researchers to work on sight related issues that will help many of us as we age, as well as helping our children in the future.

Don't forget to "Ask 1" person to join you in a service project or at a Lions meeting.

*DG Karen*

## DG Making Club Visits

Continued from Page 1

club can bring in a chunk of those members, wouldn't that be great? Invite a friend to a meeting and let's push for 5 or 10 members," he said. It's a lofty goal, but it can be done if we all follow the credo, "Ask 1".

And also in her talks to clubs, she notes her theme, which is "Service Through Leadership." Here's what she says in the Lions Directory about that: "I'd like to work with you over the next year to identify future leaders so we can encourage them to step forward and offer their service. We often identify 'service' as something we do for others, such as driving someone to an appointment or cleaning up a park or planting flow-

 16 Charitable Enterprises Meeting

★ ★ ★ ★ ★

ers at the local retirement home. I believe that leadership is a form of service. We need to encourage and nurture leadership in those who show a spark of interest or talent in this area."

And in another part of her message she says, "Above all, we need to have fun in all we do as Lions, Lionesses and Leos. While helping with a service project or raising funds, keep a smile on your face and remember the good you are doing for others in your community."

Let's take these words to heart and do our part to grow Lionism in District 14-K!

## PDG Ray Taylor Holding His Own

Lion Karen Bateman has reported that PDG Ray Taylor, now living in Florida and who has been extremely ill recently, is about the same, and holding his own. He is using a walker at this time.

His wife, Carol, reads him his mail, and they have a lot of visitors.

Please continue to pray for them, and especially for Carol, giving her strength to continue as Ray's caregiver.

She needs to stay well to be able to support Ray.

Thanks for sending them cards and for keeping them in your prayers.

Their address is 103 Orange Rd. NE, Lake Placid, FL 33852-9814.

## Address Changes For the Directory

There are a few changes that need to be made if you have a copy of the 2015-16 Lions District 14-K Directory:

## 1st Vice District Governor's Message

### Facebook and District Website Could Help Clubs

I hope this message finds all of you enjoying our beautiful weather and brilliant colors. It definitely is a favorite time of year for me.

I have had the pleasure of attending many club meetings along with DG Karen Brady. It has been very interesting and enjoyable to visit each club. The opportunity to meet with so many clubs at their home settings has helped me to appreciate the uniqueness of all of our clubs. Our Lions clubs are great! Thanks for your hospitality.

Besides visiting clubs, I attended a GLT/GMT training recently. One of the sessions focused on technology and the resources available to clubs and individual Lions at LCI. In our discussions, we were encouraged to establish a Facebook Page. You can utilize Facebook to post pertinent information about your club. You may also post upcoming events as well as fund raising activities. Another source for clubs is our district website, which will post your fund raising events. Contact Lion Joe Sizer, our webmaster.

Additionally, our upcoming Cabinet meeting is scheduled for November 14, 2015 at the Meadows in Hellertown. Contact PDG Joe Chunko for details.

Happy Thanksgiving.

*1st VDG Marsha*

## A Clean Environment Is an Important Lions Service

April is usually the time designated for "Environmental Awareness Month", but several Lions clubs already have environmental projects; some do not. Chairman Lion Marty Lower for District 14-K says being aware of a clean environment all year is a measure of service. Do your part to protect the natural resources we have by doing some of these things during the year:

- Raise awareness about eco-friendly lifestyle choices
- Plant a tree
- Organize a community-wide bike-to-work/school day
- Plant a flower garden at a senior home
- Clean up a park
- Clean the yard of elderly residents in the community
- Volunteer at a recycling center
- Clean a community center
- Organize a car pooling campaign
- Recycle books
- Construct bird feeders for a senior home or school
- Clean a highway
- Donate recycled paper goods to a food pantry or soup kitchen
- Install energy-efficient light bulbs at a school or community center
- Recycle items such as phones, computers, and printer cartridges
- Clean up a local body of water
- Host an environmental seminar in your community
- Host a beach clean-up
- Create compost in your own backyard by mixing food scraps and leaves with soil, and letting them decompose
- Recycle plastic shopping bags
- Raise awareness about harmful substances in homes and the community
- Organize awareness about harmful substances in homes and the community
- Organize a project to protect endangered animals or plants
- Organize a nature walk

Upon completion of your project(s) please report the results on your monthly LCI activity reports. In helping with our environment, the Lions are showing we live by our motto "WE SERVE". Feel free to contact Lion Lower with any questions that you might have. His phone number is 610-437-2162.

**TATAMY-STOCKERTOWN:** Two members attended 14-K rally. . . Two attended CVL needs night, donating \$500 plus \$86 collected from White Cane. . . Planning public spaghetti dinner on November 14.

**WILSON BOROUGH:** Donated \$500 to Center for Vision Loss needs. . . Sponsoring Peace Poster contest at Wilson Area Intermediate School and St. Jane's School.

**Cabinet To Meet**

Continued from Page 1  
necktie for the gentlemen.

We've had many district meetings at The Meadows in previous years. But for those of you who may not be familiar with the location, there are these directions: Take Exit 67 off I-78 (Hellertown Rt. 412S). At end of exit ramp, turn LEFT and go approximately 2 miles. You will pass a McDonald's on the right.

Shortly thereafter, make a RIGHT on to Meadows Road (be careful not to miss the RIGHT turn; it is a small road). If you passed the Giant supermarket, you have gone too far. After turning on to Meadows Road, go approximately one-tenth mile over a stone bridge. Make the next LEFT in to the Meadows parking lot.

**Past Cabinet**

Continued from Page 1  
Cane. When calculating man-hours for your project(s), please remember that each person helping is equal to one hour per person, not just the total hours for the project.

PDG Fred Folland as immediate past district governor is now on the board of directors of Center for Vision Loss (CVL). Contrary to rumors, they are in need of funds, and they received good support at "Needs Night". They withdrew approximately \$400,000 per year from their endowment fund to stay afloat. Both state funding and United Way funding have been cut. It was noted that you can designate CVL on auto deductions via United Way from your work place.

As of the August cabinet meeting there were 738 unsold 2015-16 lottery calendars, chairman Lion David Fatzinger reported. The half-year calendar sales will go on sale soon for \$15 each, with payouts beginning January 1, 2016.

PDG Linwood Gehris reported that the Lions of Pa. Foundation will have approximately \$85,000 available for grants this Lions year. If you will be submitting a grant application, please contact Lion Lin to assist you with the process.

Lion Joanne Santee has Hearing Research Foundation pins for sale at \$3 and \$5 each.

**Ask 1 To Join in Lionism**

**LIONESSE CLUBS ACTIVITIES**

(EDITOR'S NOTE: Items are selected from M&A reports that are sent in by the 20th of each month from Lioness club secretaries. Mail to: Tattle Tailer Editor, 2556 Wood's Edge Road, Bath, PA 18014. E-mail: tattletailer14k@rcn.com

**REMINDER:** Pictures of club activities are wanted for Tattle Tailer.

**BETHLEHEM:** No September report.

**FORKS TOWNSHIP:** No September report.

**LEHIGH TOWNSHIP:** Club will be participating in the Boscov's store Friends Helping Friends on Tuesday, October 20. Club sold 25% off shopping passes. . . Club running bus trip to Rainbow's Comedy Playhouse on Sunday, Nov. 15 to see "Good Night Mrs. Puffin". Cost \$81 includes bus transportation, dinner, show, tax and gratuities. Reservations with Geraldine Gilbert, 610-767-2384.

**LOWER LEHIGH:** No September report.

**MOORE TOWNSHIP:** Sent \$100 in memory of Mrs. Ahart to her favorite charity. . . Ran food stand at Moore Township's 250th anniversary celebration. . . Now meeting at Emanuel's Church. . . Presented \$500 to Center for Vision Loss at needs night. . . Sold most of our food at car show, in which 305 cars were shown. . . Held penny party and collected for White Cane on October 25 at Klecknersville Vol. Fire Co.

**NORTHAMPTON AREA:** Club held a hoagie sale in September. . . Sent a check for Center for Vision Loss "needs night" . . . October was busy selling Gertrude Hawk candy bars, having a bake sale at Ace Hardware, and a food stand at Dream Come True event. . . Expected six members to participate in Northampton's Jack Frost Parade on October 22. . . Now taking orders for Gertrude Hawk Christmas candy.
