District Governor's Message

Dear Lions and Leos, and guests of District 14K,

Many thanks to all who ventured out to attend District 14K Rally last Thursday night. It was great to see so many clubs in attendance and a room of roaring Lions! Our speaker Lion Jonathan Carver and wife, Lion Casey Carver, from Beacon Lodge reminded us that we ALL are owners of Beacon Lodge, a camp for those with different abilities. See camp dates below. Thank you for your support as we “Serve with the Heart of a Lion.” A special thanks to IPDG Dan Lombardo (Lehigh Twp) as Rally Chairman; to Lion Tamer David White (Slatedale-Emerald) for setting up our 14K regalia; 1VDG Kathy Duelley (Bethlehem Twp) for obtaining the floral arrangements; to Lion Donna Bok (Emmaus Lioness-Lions) for providing table centerpieces; and to ALL who helped setup and worked on this event. Also, thank you to NEPALSF for donating the Door Prize.

In October, I had the privilege of visiting Coplay Lions Club, Lehigh Township Lioness Lions, Bethlehem Township Lions Club, Alburtis Lions Club, and Emmaus Lioness-Lions' Charter Night. All these clubs are providing tremendous service in their area and having FUN while doing so! Please continue to update your social media sites, post your service on MyLion (or contact District Administration John Weremedic (Slatedale-Emerald) to do so for your club, and 'monthly' send your club's good works to Tattletail editor Diana Toolan (Nazareth). Our motto is “WE SERVE” - our clubs deserve recognition and our communities need to know the great work of Lions in D14-K!

“Wherever there's a need, there's a Lion.” You've heard this statement many times because LCIF distributes grant monies where needed. YOU answered the call to our neighbors around the world: since 1968, LCIF gave \$1 BIL! Multiple District 14 received 175 grants with \$3.4 MIL in funding. Our District 14-K received \$74,306 in grants. We CAN increase our service impact! **LCI Campaign 100** will wind down June 30, 2022. We are \$75,000 away from meeting goal of \$3,000,000. Thank you to all who pledged your support of this campaign. Each member in each club is encouraged to “give from the heart!” Many donors giving (as little or as big as you wish) makes a bigger impact than a few giving large \$. Are you aware community donations solicited can run through your local club and each member get the credit? A MODEL CLUB is one with \$500 per member giving average “which can be pledged over three year period”... (your donation is confidential) ... something to consider. BTW - there will be another LCIF Telethon on June 5, 2022. If you have any questions, please contact D14-K's LCIF Chairman Donna Bok, lcif.dist14klions@gmail.com, or 484-221-2372. Reminder: she set a challenge for a “mystery dinner” if your club has 100% member participation and your club's name is drawn.

Veteran's Day 11/11/2021 – Thank you to past, present, future VETERANS (and their families) for your service which affords up FREEDOM in our country!

November - Diabetes Awareness Month – one of our five global causes. (PDG Don Kaufman is our D14K Coordinator for Diabetes Awareness.) *What is your club doing to support Diabetes awareness?*

At the recent GMT – Fall Leadership Symposium held in Harrisburg at PA State Council office. Four Lions from Whitehall Club and myself attended the day's event. During the Diabetes Awareness portion of the day, they offered a "diabetes testing" for all those in attendance. We were encouraged to set up similar testing stations at our district events/fundraisers. A side note: D14-K came in "2nd place" for the pounds of food for hungry donated in honor of International President Doug Alexander's birthday celebration.

November 13th is our next Cabinet Meeting, following by "*T'was the BINGO before Black Friday*" a district fundraiser for Pediatric Cancer. Each club having sold tickets will be eligible for a "cut" of the profits which enables clubs to do more service.

As November winds down let's remember those who are approaching the holidays with lack of enthusiasm or hungry stomachs. I know our clubs will meet the challenge of providing for the needy.

I hope you and your families have a BLESSED THANKSGIVING!

*Yours service with the heart of a Lion,
Debbie Lillegard*

1st Vice District Governor's Message

Hello Lions, Lioness/Lions and Leos,

It's been a busy month with Club Visitations and trainings. Special thanks to the Clubs who invited DG Debbie and I to visit. I am impressed with all that these clubs have going on and the service that they are completing!

Clubs visited include:

- Coopersburg
- Lower Lehigh
- Coplay
- Lehigh Township Lioness/Lions
- Bethlehem Township
- Alburtis

Each club is different and unique in what they do and accomplish.

I have also participated in the GAT (Global Action Team) zoom meetings with PID Cindy Gregg. It's nice to learn from leaders throughout PA who share what is working for them.

I have also attended the webinar on Succession Planning offered by our top leaders in Lions. Please ask questions if you have ever thought about becoming more involved with a District position. It is a truly rewarding experience.

There was a Fall work weekend at Beacon Lodge on Oct 9 and 10. Many of our clubs in District 14-K have contributed to building pavilions at Beacon Lodge and they are forever grateful. Did you know that Beacon Lodge is one of 6 Special Needs Camps left in the US? And Beacon Lodge is owned by every Lion in the state of PA. Executive Director, Jonathan Carver, will be our guest speaker at the Rally for DG Debbie on Nov 4th at the Northampton Community Center. Please get your reservations in early as we want to hear your club "ROAR"!

There is an opening for a Board Member at Beacon Lodge right now. I am on that Board and would love to answer any questions you may have if you'd be interested in filling the position. There are 4 Board meetings per year (and some are virtual). An easy way to support Beacon Lodge is contributing to the 500 Club. Just \$5 per member in your Club makes your club a loyal supporter! See the 500 Club letter included in this month's Tattle Tailer. Beacon Lodge truly appreciates your support!

The Moore Township Lioness/Lions held a charter reception welcoming all new members of their newly established club on Oct 10. It was well attended and a nice welcome to our District's newest

club! Congratulations ladies! You have so much to offer to your community. I also attended their "Penny Party" and it was so much fun. If you've never attended one before (I had not) you'd enjoy the experience! Just sayin'!

Several Lions helped with a volunteer project for patients with cancer. Stuffing "Chemobags" was a unique opportunity to give back to those suffering and in need. This amazing organization makes 125 to 150 bags every month for new cancer patients. They include a blanket, knitted hat, socks, water bottle, water, adult word search books, notebooks, toiletries bag, snacks. Past patients have commented on how nice it was to receive these items at your lowest point in life and how uplifting it felt. What an amazing organization! Visit www.TheChemoBag.org to learn more and look for pictures in this month's Tattle Taler.

A huge shout out to Donna Bok, our District Fundraising coordinator, who has worked extremely hard to make the upcoming Bingo and Basket Raffle a success. After the November Cabinet meeting on Nov 13, the District will hold a Bingo and Tricky Tray fundraiser. Can we please count on your support for this important fundraiser? Proceeds will be distributed between the participating clubs and a donation to Childhood Cancer. Please contact all of your friends and family who love Bingo! Be sure your club sells all of your tickets that you received. In November.

I look forward to the upcoming State Council meeting and International Dinner.

Check out our District 14-K Facebook page for pictures and current events!

2nd Vice District Governor's Message

Greetings Fellow Lions/Lionesses/Leos,

The year is going by quickly. In early October, I was able to visit the Coplay Lions with DG Deb and 1st VDG Kathy. It was good to hear so many lions share stories of successful community service projects. We also learned that many are interested in a MyLion training. We hope to be able to organize another training in the near future.

It was great to attend the charter event for our newest club in our district, Moore Township Lioness Lions. This club is a large group of lions and we wish them all the success.

I attended a global action training meeting in October. At this meeting, all of the District Governors in attendance spoke about the projects happening around the state. So many ideas are exchanged in these meetings and it shows that there is a great deal going on with lions in Pennsylvania.

MD-14 State Lions hosted the Global Action Team Fall Leadership Symposium on October 16th. This conference was well attended, including 5 members from our district. We spoke about increasing membership, engaging in more projects with Leos and Diabetes awareness. The RLLI leadership conference was also discussed and our district has at least one lion attending. Anyone wishing to learn more about this leadership conference, please reach out to me as I found this to be very informational for our future leaders in Lions.

I attended a succession planning webinar with over 200 lions throughout the country. Many ideas were shared of how to encourage and recruit new leaders in our clubs and at the district level. The learning never seems to end...

The next state council meeting is taking place over the Halloween weekend. I'm sure it will be a great time as we stir the caldron and exchange ideas for future community projects.

The District Rally is Thursday, November 4th at the Northampton Community Center beginning at 5:30. The District Cabinet meeting and fundraiser is Saturday, November 13th at the Klechnersville Rangers Volunteer Fire Company in Bath. Hope to see many attend all events to support our district.

Yours in service,

Denise Shaffer 2nd VDG – D14-K

We also entered a car in the parade owned by Lion Lynn Patnaude. Riding with him were Lions Pete Bilotta and Cheryl Christman as well as our mascot. A great time was had by all. Looking forward to an even bigger and better presence in next year's event.

Members of the Nazareth Lions Club continued its traditional participation in the annual Nazareth Halloween Parade, happy that the event was restored following the pandemic and happy to share lots and lots of candy to the crowds along the way.

1. The Can Recycling and Hoagie Sale will be held on Saturday, November 13th, 8:00am-noon, weather permitting. Come out and join the group for conversation, buy a Valley Farm Market hoagie, or just to say hello. Please let Lion Lynn know if you can help at Recycling. He can be messaged at pat-sambo@ptd.net Speaking of selling extra hoagies to help our fund raising efforts, there have been some members that have been successful in this endeavor. Lion Andrew has orders for 10 and Lion Cheryl has orders for 20. If we had more activity like this, we could continue to sell hoagies through the Winter. Think about it...

2. The next Zone meeting (comprised of the Saucon Valley, Coopersburg, Upper Saucon and Hellertown Clubs) will be held on Tuesday, November 16th. The Upper Saucon Lions will host the event. It will be held at the Superior Restaurant, 102 State Rd in Emmaus. It will begin at 7:00 pm. It would be great if we could get a good turnout. If you are interested, let Upper Saucon Lions President Dennis Procopio know by November 9th. He can be reached at dennispro@ptd.net.

3. The Lion's District 14 K Annual Rally is set for Thursday, November 4th. As mentioned previously, the event will once again be held at the Northampton Memorial Community Center, 1601 Laubach Ave, Northampton. We will have 9 members attending.

4. Congratulations to Cheryl and Bob Christman once again. They were officially inducted into the Hellertown Lions Club at our last membership meeting. The induction was conducted by Lions 2nd Vice President Dick McFerren. The Christman's are sponsored by Lion Bruce Browne.

Recently, a group of Hellertown Lions members participated in the Chemo Bag project through Lions District 14K. Our club made a contribution to the program and our members volunteered to make up some bags. We Serve!

5. We will celebrate our 96th year as a Lions Club at our Charter Night celebration on Thursday, December 9th. Because we are still working our way through the COVID dilemma, we have decided to conduct the celebration as part of our regular meeting night which will be held at Braveheart. This will be a good opportunity to come to the meeting to join the celebration. Please save the date.

6. Plans are proceeding for our 6th Annual Holiday Dinner for Saucon Valley Senior Citizens to be held on Sunday, December 12th. We will repeat the procedure that we conducted last year. The event is co-chaired by Bob Christman, Cheryl Christman, and Bruce Browne. We will need about 10-12 volunteers to work a few hours that day, Noon-4:00 pm. Let them know if you can help.

7. If anyone would like to order a Hellertown Lions golf shirt, you can go to Saucon Valley Sporting Goods in Hellertown and buy you own for \$ 20.00. Sizes xl, xxl, and xxxl are extra, when they reopen that is.

8. Think of someone that you would like to bring to a meeting!

9. Don't forget to bring cans of food for the New Jerusalem Food Bank to the meeting.

WE SERVE NOVEMBER -- 2021 WE SERVE

MEETINGS FOR NOVEMBER

Tuesday, Nov. 9

Our first meeting in November will again take place at the **Church of the Good Shepherd** in Alburtis at **6:30 PM**. Please refer to the October newsletter for directions if you did not attend our last meeting. This meeting on **Nov. 9** will be special because we will be hosting a few guests from the **Kuhnsville Lions Club**. **Lion Pete Peluso** has arranged for a few of their members to visit us and perhaps we can exchange ideas to help both of our clubs. We hope this will be the first of many club visitations involving our club and others. Our **Helping Hands** project will be getting underway very soon and **Lion Ron Bechtel** will be discussing those plans. Other club and District events will be on our agenda for this meeting. Please mark your calendar and plan to attend this meeting.

Special Note:

We are very happy to report that we had two (2) guests at our October 23 meeting who are interested in becoming members of our club. **Lion President Phil Kresge** and **Betsy Kresge** made these contacts and we are excited about this great news. One application has been submitted and the other one is on the way. We are pleased to present **Denise Biundo** and **Morgan Martin** as potential members. We will have more details about them in the December newsletter but we are hopeful that on November 23 we will officially vote on their membership.

Tuesday, Nov. 23

Our **Business Meeting** for November will be held on **November 23** at the **Church of the Good Shepherd** in Alburtis. The meeting will start at **6:30 PM**. We will be reviewing the **Helping Hands** project and also discussing our Christmas Party plans for December 14. If all applications and dues are paid we will vote on the membership of two (2) potential members at this Business Meeting.

WE HAVE NO BIRTHDAYS FOR NOVEMBER

FALL FLEA MARKET WAS GREAT

Our **Fall Flea Market** on **Saturday, October 16** is now history and it was very successful. We got things started at 5:45 AM registering the vendors and getting them into their respective spaces. Our members did a great job of getting everything ready for our big day. The **Lions Table** in the large pavilion offered many great values that brought in nearly **\$180**. When the gates opened at 7:00 AM for the public they quickly filled the parking area and then Macungie Memorial Park. As the crowd browsed the area they especially liked our **Shoo-Fly Pies and Funny Cakes** stand. We almost sold out of everything. Our **50/50 Raffle** was also very successful with sales of **\$466** of which we gave out prizes totaling **\$233**. The list of winners appears in our website [www.e-clubhouse.org/site/lowerlehigh]. We thank all of our members, patrons, vendors and helpers who made this such a great event. **Lion Betsy Kresge** and her committee did a great job of planning and carrying out all those plans for this annual event. As we did in the Spring event, our club did NOT operate the concession stand but the Macungie Park staff did an excellent job of handling that task. Our club is very happy to report that we have made a profit of **over \$4000** at this event and a total of more than **\$9000** for the **Spring and Fall Flea Markets**. We will put this to good use in the near future when we have a major project that gives back to those most in need...our **Helping Hands Project**. Check out a photo below and a few more on the 2nd page of this newsletter. We enjoyed presenting this Fall Flea Market for your enjoyment.

Our stand was busy all day

MACUNGIE HALLOWEEN PARADE WAS CANCELLED

Our annual **Macungie Halloween Parade** was **cancelled** this year. Due to an extremely low number of participating units, we were left with no choice but to cancel it. The Parade Committee made numerous attempts to find participants but it was to no avail. We had about 15 responders including honor guard, ambulances, fire engines, one band and a few marchers. We have never had such a poor turnout but perhaps the COVID-19 fear is still prevalent. Next year the committee will seek additional methods to attract participants and once again have a full parade that will march down Main Street in Macungie. We thank our **Chairperson Lion Dave Briggs** and **co-chair Lion Heather Day** for all the work they did in preparation for this event. We also thank the community for their understanding of this decision. Believe us when we say that this was NOT an easy decision to make. We LOVE to present this yearly parade for the residents of Macungie and this action was truly tough on all of us.

HELPING HANDS PROJECT

Once again it's time for one of our favorite projects of the year...**Helping Hands**. This event will be occurring during the **Thanksgiving** and **Christmas** seasons to help those families who need some assistance. **Lion Ron Bechtel** chairs this effort with the help of the **East Penn School District elementary schools**. Each elementary school recommends some needy families that we can reach out and provide some holiday help. Each of the **25 families** that we identify will receive a **\$125 Weis Market gift card** for **Thanksgiving** and then **another 25 families** will receive the gift cards for the **Christmas** season. Yes, this is a project that uses a large portion of our donation funds but it is also one of the most rewarding ventures that we do. Our recently completed **Fall Flea Market profit** will definitely assist us with this worthy project. Shortly, **Lion Ron's** committee will start to distribute these gift cards to the recipients. We will keep you informed about the progress of this year's **Helping Hands** effort.

CHRISTMAS PARTY SET FOR DECEMBER 14

Our annual club **Christmas Party** will be held on **Tuesday, December 14** at the **Ridings Club House**. Mark this on your calendar because this is always a great night with good food, fun and laughs. This is our regular meeting night but we will **NOT** be meeting at the Church of the Good Shepherd but rather at **Lion Jack Graff's** development club house. We will be using the **Janelle Hall Catering** as we have done on many recent events. More details will be given next month.

EYEGASSES DONATED TO OUR CLUB

Club President **Lion Phil Kresge** received a phone call from a member of our community who volunteered to give us some used eyeglasses. Little did **Lion Phil** realize that this donation would be in the form of box after box of packed glasses. We estimate that this donation includes about **20,000 eyeglasses** and there may be more. **Lion Jack Graff's** garage is now full of these items (see photo below) and we are working with the District to have them moved to a Nazareth location before the April convention. **Lion Phil** is renting a U-Haul van on **Thursday, Nov. 4** and is asking for help to get these boxes out of **Lion Jack's garage**. We realize that this newsletter will not reach most people until after that date but an email was sent by **Lion Phil** to solicit help for this plan. We plan to meet at **2:00 PM** to start the transfer process. All help would be appreciated. We are extremely happy to accept these glasses and know that other needy individuals will be helped via this project.

Check out this mountain of eyeglasses that were donated to us

LIONS PAVILION IN PARK NEEDS STAINING

Our **Lions Pavilion** in Macungie Park is in need of some **staining**. Many years ago our club volunteered to do some staining of buildings in the Park. Historically, the Park has paid for the stain and we provide the manpower to do the job. We will volunteer to do the same thing this time but will wait until Spring or Summer to actually do the work. **Lion Phil** will contact the Park to see if this is acceptable. Our pavilion especially needs this staining since the Park did some repair work on the roof last year when it partially collapsed. That raw wood is in need of our handy brush work.

ON THE HEALTH WATCH

Lion Ron Bechtel: **Lion Ron** attended our Oct. 26 meeting and explained that he was in the hospital with pneumonia but it may really **not** have been that according to one of his doctors. But even better news is that his radiation treatments have really worked because the cancer is **GONE**. We all wish him continued good health.

Lion Meg Leister: **Lion Meg** recently had **facial surgery** above her eye. She had a troublesome "drooping eyelid" and this operation corrected that nicely. She has been staying home recovering and making sure the bandages and dressings stay in place while the healing takes place. We hope to see her at our November meetings. The club sent her a "**Get Well**" basket to aid her recuperation.

Lion Nick Grazio: **Lion Nick** has submitted his **resignation** as a member of our club. Due to some health issues, he has missed many of our recent meetings. His balance is not very good at the moment. He has had a great and rewarding time as a Lion both in our club and the Spring Creek Club but it is time to step back. We will all miss him but we are sure that he and Gloria will continue to stay in contact with us. All of us wish them the best of everything.

Richmond will host the Region III, Zone A meeting December 6, 7pm.

THE HISTORY OF THE RICHMOND LIONS 2010 experienced the Bangor and Richmond clubs pooling resources to build a handicapped access ramp for an East Bangor resident. Mr. Ron Weber, a friend of Lions, volunteered to draw plans and supervise the project. In addition to our normal charitable work, the club gave support to an Eagle Scout Project, transported several patients for medical attention and continued support for Little League, softball and a newly formed soccer team. Lion Steve Hughes was presented a Melvin Jones Fellowship and the club honored Mr. Ed Nelson of Mt. Bethel, for his distinguished service to Lions and his community.

PRESIDENTS MESSAGE

Greetings to all Lions. The fall is quickly slipping by us as we continue in service. We certainly served many as volunteers working the Outback at Jacktown. The well attended event brought many to the Outback and kept our members very busy. In addition, Richmond Lions celebrated Ladies Night at the Sycamore Grill, with good food and pleasant music. As you may know, Lions continue to serve at the Portland Food Pantry each Monday providing food for those in need. If you know of someone in need, please notify me or Lion John Hocking.

*The greatest reward is the joy of serving others.

Lions Clubs International
FOUNDATION

Donna Bok
LCIF Coordinator
November, 2021

All Lions clubs share a single mission: we serve! Yet, no two Lions are exactly alike. That's what makes our service so strong. The same can be said of our clubs—no two clubs are exactly alike. There are 1.4 million people who believe working together we can achieve bigger goals. Being a Lion is about leading by example and improving the world through kindness.

District 14-K Lions Clubs - Now is the time!

Let's make a difference in our local communities and our communities abroad!

November is Diabetes Awareness Month. Did you know in our Constitutional Area 1 [the United States, its Affiliates, Bermuda & the Bahamas] there are **11,047** active clubs in this region and an average of **2,900** adults per club community have diabetes. Our adult population is **241.1** million of which **32.0** million have diabetes. There are **12.1** million undiagnosed diabetes cases, and **194,928** diabetes related deaths. Children [0-19 years] with type 1 diabetes total **177,900**.

What is diabetes?

Diabetes is a chronic disease that affects how your body turns food into energy. Most of the food you eat is broken down into sugar (also called glucose) and released into your bloodstream. Your pancreas makes insulin, which helps your body use this blood sugar as energy or store it for future use. If you have diabetes, your body either doesn't make enough insulin, or it can't use the insulin it makes as well as it should. This means too much blood sugar stays in your bloodstream over time. You can develop serious health problems, such as heart disease, vision loss, and kidney disease.

Diabetes—a growing epidemic

There isn't a cure for diabetes, but it can be controlled. Healthy lifestyle habits, taking medicine as needed, getting diabetes self-management education, and keeping appointments with your healthcare team can greatly reduce its impact on your life.

Common Symptoms of Diabetes

Feeling very thirsty, urinating often

Blurry vision

Extreme fatigue

Wounds that don't heal

Feeling hungry even if eating, weight loss

Numbness/tingling in hands and/or feet

Lions International Strategy

Reduce the prevalence of diabetes and improve quality of life
for those diagnosed.

**PA LIONS
BEACON LODGE CAMP
“500 CLUB”**

Dear Lions, Lioness/Lions, and Leos,

This is the time of the year that we ask for your support of the “Beacon Lodge 500 Club”. This is an opportunity for each Lion, Lioness and Leo to make a personal contribution to help with repairs and maintenance of the Beacon Lodge Camp.

The “500 Club” is based on \$ 5.00 per year. Since it began in 1992, as the 365 Club, this fundraiser has totaled in excess of \$966,413.46. The Lions, Lioness and Leos in the state of Pennsylvania continue to embrace the Lions Motto “We Serve”. We encourage all Lions, Lioness and Leo Clubs in this district to consider 100% participation in this great project.

- We ask that you:
1. Make checks payable to Beacon Lodge 500 Club.
 2. Send a copy of your membership roster
 3. Mail checks and roster to:

Lion Kathy Duelley
1305 Johnson Street
Easton, PA 18040

Once again we thank the Lions and Lioness of District 14_K for your continued support of PA Lions Beacon Lodge Camp: helping to make it one of the Best Special Needs Camps in America.

Yours in Lionism,

Dear PA Lions,

I'd like to start this email off by sharing one of my favorite [Four Diamonds](#) family stories – [The Theresa Illicete Family Story](#). The reason I like this video so much is because of the way it touches on the importance of research, which is truly our only hope for a cure. Did you know that more than 70% of the funds that Four Diamonds receives is dedicated to research? And, we collaborate with doctors and scientists around the world to find safer treatments and cures for children everywhere.

As we head into the busy holiday season, I'm excited to share that we have collectively raised nearly \$11,000 for Four Diamonds so far this Lions year, which is pretty much on track with where we were this time last year. If you are interested in setting up a recurring monthly gift or making a year-end gift, you can do so online at www.FourDiamonds.org/PALions or by mailing a check to:

Four Diamonds

P.O. Box 852
Hershey, PA 17033

Attached are a couple of documents that provide fall and winter fundraising ideas. If you or anyone from within your District is ever interested in brainstorming additional fundraising activities or events, please let me know. I'd be happy to coordinate and host those conversations.

Finally, this is often the time of year that we get requests from groups who wish to take up collections and/or make non-monetary donations to our Children's Hospital. If you are interested in doing something along those lines, I highly encourage you to view our Child Life guidelines and wish lists by clicking [HERE](#).

Many thanks for your continuous efforts and support.

Lions Clubs International

Dear Lion,

Please remember that all Lions clubs, districts and multiple districts with annual gross receipts less than US\$50,000 that are not otherwise required to file Forms 990 or 990-EZ must file the e-Postcard (also known as the 990-N). If your Lions club, district or multiple district has a foundation, which is a separate legal entity, the appropriate form will need to be filed as well.

Please review the document below for important information regarding your annual tax filing obligation. Thank you!

ANNUAL TAX FILING INFORMATION

Kindest regards,

Legal Division
Lions Clubs International

Lions: Please remember that all Lions clubs, districts and multiple districts that have annual gross receipts of less than US\$50,000 and do not have to file Forms 990 or 990-EZ must file the [e-Postcard](#) (also known as 990-N). If your Lions club, district or multiple district has a foundation, which is a separate legal entity, the appropriate form will need to be filed as well.

All filers must register at IRS.gov prior to filing their next Form 990-N. This is a one-time registration if the designated Lion files annually. If the designee changes from a prior year, the new designee must register with the IRS.

Please refer to the following chart regarding annual filing requirements:

2020-2021 Tax Year*	Form to File
Gross receipts normally \$50,000 or less	990-N
Gross receipts greater than \$50,000 and less than \$200,000, and total assets less than \$500,000	990-EZ or 990
Gross receipts \$200,000 or greater or total assets \$500,000 or greater	990

The e-Postcard is due by the 15th day of the fifth month after the close of your tax year. Lions clubs operate on a fiscal year, July 1-June 30, and the e-Postcard is due by November 15 each year. Please note that *an organization cannot request an extension for filing the Form 990-N*.

If you do not file, you risk losing your tax-exempt status. Any Lions club that fails to meet its annual reporting requirement for three consecutive years will automatically lose its tax exempt status. A club may [apply](#) for reinstatement of its tax exemption even if it originally fell under a group exemption.

Every club and/or district (single, sub- and multiple) must have an employer identification number (EIN), even if it will not have employees. The EIN is a unique number that identifies the organization to the Internal Revenue Service. To apply for an EIN, you should obtain a Form SS-4 and its instructions from the IRS. You may also apply for an [EIN online](#), by telephone (1-800-829-4933) or by fax (fax number at the location accepting applications from your state). It is important that clubs and districts use the correct EIN for their annual filing.

For frequently asked questions about tax issues and regulations affecting Lions clubs and leadership, visit the [Lions Tax FAQ](#). Visit www.irs.gov/eo for complete details and to sign up for Exempt Organization's free email newsletter, *EO Update*, to receive up-to-date information posted on the charity pages of irs.gov.
