## Physician Assistant Speaks at District Rally; Hat Contest Held

A physician assistant who works for the Lehigh Valley Health Network street medicine program was one of the speakers at the annual District 14-K Rally on Thursday, Sept. 27 in the Northampton Banquet & Events Center. And a hat parade of club presidents brought humor to the rally as they showed off their funny hats that exemplify Lionism.

Seth Campbell completed a bachelor's and master's degree in physician studies at DeSales University. While in his graduate studies, Seth gained an understanding and appreciation for medical care in the homeless community during a five-week rotation with Brett Feldman and the Street Medicine Team. He started his career at the Moselem Springs Express Care. He now spends full-time with

the LVHN program, Department of Community Health, seeing patients in clinics, on the streets, and in the hospital.

Both Campbell and Outreach Liaison Bob Rapp went out in the audience and told about what they are doing as they shook everybody's hands and answered their questions.

The homeless average between 30 and 50 years of age, Campbell said. They need our prayers as well as other treatment, Rapp noted. The homeless come from many areas, including the Lehigh Valley, and one is even a college professor.

The hat contest, in which club presidents wore crazy hats that drew laughter. The 20 or so Lions wore hats of anything imaginable that displayed Lionism, and as they paraded, the audience sang "I've Got That Lions Spirit All Over Me." Four Lions were chosen as winners by the sound of cheers from the audience, which emcee 1PDG Don Kaufman asked from them.

Zone chairpersons introduced clubs and their members stood when they heard their club names. PDG Marsha Johnston introduced the Leos from four high schools. All the Past District Governors present were asked to stand as well.

District Governor Karlene Laub thanked several people for their help, particularly Kaufman and the past district governors.

The dinner for the evening was done in buffet style, and the Lions, Lionesses and Leos who numbered several hundred lined up for their chicken barbecue in a roll, ziti, and pierogies, house salad, etc., and for dessert they had the choice of a vanilla or chocolate cupcake.

PDG Dennis Butz chaired a committee that arranged the rally. PDG Willard Kulp did protocol and Lion Gail Gehris offered the invocation and benediction. Lion Dave Daniel drew the winning numbers from tickets that were sold at the door for cash prizes. Attendance was one of the best in years.

## MD-14 House of Delegates To Convene November 3

The Multiple District 14 House of Delegates will convene at 1:30 p.m. on Saturday, November 3, 2018, as part of the second 2018-2019 State Council meetings at the Hilton Garden Inn, Indiana at IUP, 714 Pratt Drive Indiana, PA.

A "special election" to officially endorse MD-14's candidate for International Director will be held Saturday, February 7, 2019, as part of the third 2018-2019 State Council meetings at the Altoona Grand Hotel, 1 Sheraton Drive, Altoona, PA.

Any MD-14 Lion in good standing in a club in good standing with Lions Clubs International, Multiple District 14, and their sub-district is eligible to be a candidate for the office of International Director.

In accordance with Lions Clubs International by-laws Article II Section 3, paragraphs a, b, c, d, and the MD-14 House of Delegates Procedure: Lions interested in being considered as a candidate for the office of International Director must prepare a letter of intent and Lions resume in printed form and present those documents to his/her club's board of directors for the purpose of receiving the club's official endorsement. Likewise, all interested candidates are asked to submit a Letter of Intent and Lions resume to the PA Council of Lions Clubs Office, 949 East Park Drive, Harrisburg, PA 17111 prior to September 30, 2018.

After receiving the club's endorsement, these

documents must be forwarded to the candidate's District Governor for approval by the sub-district's delegates at a special convention called for the purpose of providing the sub-district's endorsement of the candidate.

The letters of endorsement from both the club and sub-district must be dated and signed by the appropriate club and sub-district officers and presented in written form to the State Office by October 19, 2018.

Upon receipt of the official endorsement letters from the appropriate club and sub-district, the candidate for the office of International Director will be invited to the State Office to meet with the International Family and may officially announce his/her intentions.

## Deficit of 2018 convention Brings changes for 2019

Because of a deficit of some \$1,200 from the 2018 convention, there will be at least two major changes for the 2019 District 14-K convention on April 27 and 28, chairman PDG Tom Dieter announced at a convention meeting on September 24.

Instead of the cost of printing registration forms and sending them through the U.S. mail, the form will be e-mailed to each club secretary, who will make it available to their members, and they, in turn will forward their name to reg-

istration chair persons PDG Linwood and Lion Gail Gehris, whose e-mail address is 641954@outlook.com or by mail to their home at 6357 Pinecrest Lane, Macungie, PA 18062.

Secondly, there will be no Saturday night banquet. Instead, all the ingredients of that banquet will be contained in the luncheon: An address by International Director Steve Thornton from Wooster, Ohio; mock club meeting; Peace Poster con-

## District Governor's Message

### I'm Having a Great Time Working with Club Projects

I am continuing my trek across Lehigh and Northampton County, helping clubs with their projects/fundraisers. I have met so many great Lions and Lioness and find that getting to meet them on a personal basis has been so important to them as well as myself. I began the month by working with the Slatington Lions at their annual car show at the Slatington Airport. I was registering cars as they came through to be judged. It brought back memories of my high school days. The muscle cars of the 60's and 70's were just beautiful and they sounded even better. I would have liked to see them drag race down that airport runway, but it was against the rules. The monster trucks were amazing, and I had to reach up pretty high to give them their paperwork. The event was very organized, and I could tell the Lions have been doing this for years.

My next adventure was with the Slatedale-Emerald Lions and their Basket Bingo at the Friedens Fire Company. I was the bingo caller for the day and we had so much fun. The bingo machine was a bit aged (from the 70's) and we did have some problems. One of the numbers didn't light up on the board and any time I addressed a number in the 50's, the number 59 would blink. The serious bingo players were annoyed but we laughed so much. There were great prizes and Chinese auction giveaways. I think everyone went away with a prize and since I had the microphone, I took the opportunity to educate the public about Lions. We even had someone go home with a membership application.

I had the pleasure of working with the Catasauqua Lions at the North Catasauqua High Rise where we provided bingo for their residents. It was fun getting to know those Lions better.

They are a small club, but they do a great service to their community. As we were leaving, one of the residents said to me, "Thank you for coming. The Lions are the only ones who come here to do anything for us." How sad and yet how great of that club to make these people happy.

Finally, I worked with the Moorestown Lioness Club to sell food at the Moorestown Car Show. Although I didn't get to walk around and look at the cars, from where I was working I could see some of those beauties from the past and some brand new ones too. They even had several tractors on display. I had a great time talking to the ladies from the club and I felt very welcomed. I saw several Lions from other clubs in the District and am pleased to see clubs supporting each other. When you see another club is having an event, consider checking it out. I'm having a great time going from one event to another.

Yours in Lionism,

*DG Karlene Laub*

Allentown, Cheryl was a daughter of the late Robert D., Sr. and Dolores (Nuss) Knauss.

In addition to her husband, she is survived by two daughters, Tracy Howe of Hamburg and Patti McCluskey of Punta Gorda, FL; a brother, Robert D. Knauss, Jr; and three grandchildren.

A funeral service was held on Sunday, Sept. 23 at the Lutheran Church of the Holy Spirit in Emmaus. Arrangements were made by the K. V. Knopp Funeral Home in Allentown.

Pastor Richard Elliott in his sermon spoke glowingly of Cheryl, who he said had a willful determination in getting things done. Many scenes of Cheryl and her husband David were shown on a screen.

Prior to the service, more than 25 Lions in attendance were called out of the church sanctuary to stand by the casket, and PDG Linwood Gehris then read a eulogy that concluded with the phrase that applied to Lion Cheryl, "Well done, thy good and faithful servant." Lion Cheryl was devoted to her family, friends, patients, Lions club, and to our District. It is the lifetime of service that we honor. Time spent in giving rather than receiving. She loved being a Lion so much that she had perfect attendance at club meetings, service projects and her duties as our District Secretary up to the very final days of her life.

## Named Zone Chairman

Lion Beth Karoly, a member of the Whitehall Lions Club, has been named chairperson of Region 2, Zone A.

## 1st Vice District Governor Message

### Call-Em-All Newest Way to Communicate

It's a Great Time to be a Lion, Leo and Lioness!

Some of you may have heard that District 14-K is picking up the costs associated with a new communication system called Call-Em-All. Once in place - the system will allow each club to leave a phone message or text message about upcoming lions events. The initial pilot program is underway and includes the District Cabinet and Executive Committee. Soon the club presidents and secretaries will be added. Later in the year we will begin to add entire clubs. Now is the time for your club to update your members contact information (phone numbers). Further details will be provided at a later date. If you have any questions - please call Lion Joe Sizer or me.

The District 14-K Rally is scheduled for September 27, 2018. I hope your club is planning to attend and, possibly by the time you receive this newsletter, you had a great time.

The Center For Vision Loss "Needs Breakfast" is scheduled for Saturday, October 20, 2018 at the Northampton Community Center. All clubs are entitled to send three members for a free breakfast and participate in this year's CVL donations.

The second State Council Meeting is scheduled for November 2-3, 2018 at the Hilton Garden Inn Indiana at IUP, 714 Pratt Dr, Indiana, PA 15705. Our District 14-K Cabinet meeting will be the following week on Saturday, November 10, 2018. Find details for these two events on-line.

District Governor, Karlene Laub, has been very busy with her service agenda over the last few months. Her motto, "Lions - The Heart Beat of the Community" and our LCI motto "We Serve" are what we do and who we are as Lions. Please come out to see DG Karlene whenever she attends one of your club events to hear more about serving community needs.

Finally, a word about hurricane Florence - We know the Lions Clubs in the Carolinas will be serving their neighbors in their local communities for an extended period of time.

Please do what you can to help those people affected by this terrible storm.

In Lionism,

*1st VDG Don Kaufman*

## District Secretarial Duties to Be Split Up

With the death of Cabinet Secretary Lion Cheryl Fatzinger, District Governor Karlene Laub had this to say about a possible successor:

"Lions, I am still looking for two or three people to help me with District Secretarial duties. I would like to have a meeting to divide up the work that needs to be done: Announcements, meeting minutes, reminders, event registrations, and the many things Lion Cheryl has done for us.

"I have a memory stick from Dave with forms, etc. and a timeline of when things need to be done. Please consider helping with these tasks, as it will be difficult for me to do it

with my schedule. This will only be needed until the end of our Lions year, which is June 2019. Please e-mail me or call me on my cell at 610-984-5566 or at home 610-760-1170 and leave a message. I will get back to you A.S.A.P.

"In the meantime, if there are any communications or information that needs to get out to the clubs in the District, please get everything to me. Thank you for your help. Cheryl will be greatly missed. She was an integral part of our District and a wonderful person.

"Together we can reach beyond our limits."

attended. They enjoyed the seminars, as expressed in a survey, but Lion Naugle said there could be additional seminars with speakers on Angel 34 and the Journey for Sight, the latter benefiting Beacon Lodge and Eye Research.

Instead of a Friday night dinner with I.D.

Thornton and his wife Becky they will have dinner elsewhere with D.G. Karlene Laub welcoming them, as arranged by PDG April Kucsan.

Further details will be announced in the Tattle Tailer after the next convention committee meeting on October 29.

## Moore Township Clubs Show Antique Classic Cars

The Moore Township Lions and Lioness Clubs held their 22nd annual Antique Classic Car Show on a superb day, Sunday, Sept. 16, at the Moore Twsp. Recreation Center. There were in excess of 125 vintage automobiles all waxed and shined to a high gloss. Chosen as "Best in Show" this year

was a 1934 Ford Coupe street rod owned and restored by John Miller of Boyertown, Pa. According to John the car is painted cinnamom pearl on top and candy brandywine below. It was a fantastic choice. John and his wife received a large trophy.

The Lioness ladies had two food stands serving

homemade cabbage and noodles, sausage, peppers and onions on a roll as well as hot dogs, hamburgers, fries, pierogies and ice cream. Making sure all the food was purchased, prepared and served was their chairlady Lioness Rochelle Rinker.

## Center for Vision Loss Notes Needs at Breakfast

The Center for Vision Loss has submitted a list of needs they will detail at the Oct. 20 Needs Breakfast in the Northampton Banquet & Events Center, where three persons from each club are asked to bring a check or pledge for them to serve.

Their total need is \$55,000 for the following:

- Operations Support, \$42,500 - Strengthens the

agency's ability to provide solutions every day.

- Escorted Transportation, \$5,000 - Provides escorted door-through-door transportation service enabling clients to access medical, wellness and support services.

- Screening for Children, \$5,000 - A powerful way to help kids succeed in school by detecting vision problems.

- Eye Heart Vision Fund, \$2,500 - Helps vision loss clients in financial need obtain assistive technologies, devices, and glasses.

In noting these needs to Lions District 14-K, Director Dennis Zehner said, "Thank

you for your gift to any or all categories that your club wishes to support." A form CVL is using has been made available for clubs to indicate their pledge and/or gift to the Center for Vision Loss, which shall be brought to the 2018 District 14-K Needs Breakfast on Saturday morning, October 20. It includes club information, pledge and gift information, and the various needs. If your club cannot send a representative to the event, you are asked to complete the form and return it by mail to: Development Office, Center for Vision Loss, 845 W. Wyoming St., Allentown, PA 18103.

also sold hot dogs and had birch beer on tap, a hit with most people.

This year they were honored to have District 14-K Governor Karlene Laub assist in the outdoor food stand. Lioness Karlene was a huge help and a real trouper. She stayed the entire day.

Along with all the

antique cars, one of the ball fields was full of flea market vendors as well as a DJ who serenaded everyone as they strolled about.

To complete the day, the car show raffle tickets, sold during the day, were drawn and winners announced for the 10 money prizes.
