District Governor Message

October - 2019

It's a Great Time to be a Lion, Leo and Lioness!

The 2019-2020 **District 14-K Rally** on September 26th was well attended with Lions from all over the district. Our Rally Chairperson, PDG Dennis Butz, did a fantastic job putting together another great event. The Family Style meal returned this year and was both plentiful and tasteful for Lions and our guests. Our Guest Speaker, Alexa Drubay, provided a fast moving 30-minute presentation on Laughter Yoga. Ms. Drubay had everyone up on their feet exercising and laughing at things we normally don't laugh at – and made everyone feel refreshed and alive. Thanks to everyone who helped set up and participate in the Rally. I'm proud to be a Lion!

The Governor's Official Visits this month include:

Oct 1 st – Alburtis Lions	Oct 15 th – Wilson Borough / Palmer Twps. Lions
Oct 2 nd – Richmond Lions	Oct 16 th – Bath Lions
Oct 7 th – Saucon Valley Lions	Oct 21 st – Whitehall Lions
Oct 9 th – Upper Saucon Lions	Oct 22 nd – Lehigh Twps. / Lehigh Twps. Lioness Lions
Oct 10 th Hellertown Lions	

The Governor generally travels with the FVDG and the Regional Zone Chairperson. No other Program should be scheduled that night.

October is White Cane Awareness Month

October is **White Cane Safety Awareness Month**, to raise understanding and awareness of orientation and mobility tools for individuals who are blind and visually impaired. Are All Canes White? Generally speaking, YES — all canes for the blind are white for safety reasons. Many years ago, this wasn't the case and as vehicles became commonplace, the blind were more at risk for traffic accidents. In 1921, a sighted man who became blind later in life came up with the idea to paint his cane white in an effort to be seen by others in the dark. This small gesture was a smart one that has continued ever since.

The Lions of PA are cordially invited to attend the Multiple District Fall Leadership Symposium, Saturday, October 12, 2019 from 9 until 3 PM or Sunday, October 13, 2019 from 12 until 5 PM. Please see the attached flyer for more details.

Center for Vision Loss 2019 Lions District 14-K Needs Breakfast

will be held on Saturday, Oct. 26, 2019, at 9 a.m., at the Northampton Memorial Community Center. We look forward to a great event.

2019 Annual PA Lions Research Seminar

On Saturday, September 28, 2019, Salus University hosted the PA Lions and show cased the unbelievable work being done by medical professionals in the field of vision. Seven research doctors and students presented their work to the PA Lions Research members and other Lion guests. Each presenter described in detail – the progress being made to conquer blindness and develop tools to detect early signs of vision issues. PA Lions Research provides “seed money” to deserving recipients to help with expenses incurred with their projects.

Call-Em-All Phone System

District 14-K set up a call-em-all phone system for clubs to use for communicating with their members. All available member phone numbers are on-line and ready to go. To begin using the system, you must login and set a password. Please contact either Lion Joe Sizer or myself for instructions on how to use the call-em-all system. It's very easy to stay connected with your members.

MyLion Reporting

There are only nine Lions clubs in District 14-K that have reported any service hours so far this year. The MyLion system has improved and is working. You must figure it out and report your service activities. If you need one-on-one help, please contact Lion Joe Sizer.

In Lionism,
DGE Don Kaufman

Message from 1VDG Lion Dan Lombardo

The Lions year for 2019-2020 got off to a “Laughing” start at the Rally. It was a wonderful time for all that attended. It was great to see so many Lions. PDG Dennis did a tremendous job as usual in organizing the event. The Program Speaker, Alexa Fong Drubay, was nothing short of spectacular. I was able to look over the crowd and watch everyone participating, including certain Lion’s that I know have been struggling. One Lion said it was the best program he has ever been to. I had the opportunity to chat with Alexa. What a dynamic individual.

The Club visitations are in full swing as I make the rounds with District Governor Don. I am getting the opportunity to meet many of you. I never realized there are a lot of Clubs! All are doing such fine work in their communities. Thank you all! There are so many outstanding Men and Women in Lions. I am both humbled and proud to be a member of this Leading Organization.

God Bless you all.
Yours in Lionism...
1st VDG Dan

Message from 2VDG Lion Debbie Lillegard

Lions, Lioness, & Leos,

Fall is upon us, and clubs are busy with this year's plans and service events.

Last week I listened to this excellent LCI Webinar:

"Recruiting for the Future! Attracting New Voices into our Clubs!"

I shall share a few notable takeaways. If you have the opportunity and time, seek it on LCI website.

Does your club have FLAC?

Club meetings should be FLEXIBLE about club attendance.

LET GO of some traditions.

Stick to an AGENDA.

Make CHANGES to accommodate younger members.

Get Online:

Have an attractive, **up-to-date** club website.

Use the e-Clubhouse

Don't use animated images and clip-art

Include **pictures** and description of **service projects**

Create a club Facebook Fan Page, WhatsApp, Snapchat, Twitter.

Younger members **WILL** check your club out **ONLINE** and on **SOCIAL MEDIA**.

Tips for Recruiting

Recruit using "youngest members"

Start a committee

Dress for the occasion

Service

To a young adult, the most important benefit of being a Lion is **service**.

Highlight hands-on projects

Provide several projects to choose from

Go **Green**

Leadership

Involve new members in club leadership/committees

Ask them to be part of a committee

Give them a voice

Utilize their skills

An important emphasis was on Lions Club International global membership not getting into same crisis situation of "aging out membership" as our North American Clubs. We are to be mindful in changing our mindsets. A Lion from India asked the question: If we are looking to increase our numbers, shouldn't we be more concerned about quality rather than quantity of members? PID Jerome Thompson, GAT Constitutional Area 1 Leader, said *all Lions are quality members with a heart to serve, each has their own special talents to offer.*

Remember to report your club service hours. I look forward to learning about each clubs' White Cane Project.

Yours in Service,
Lion Debbie Lillegard, 2VDG

D14K Rally, 9/26/19, honoring DG Don Kaufman - Program by Alexa Fong Drubay, Laughter Yoga Master trainer and Laughter Ambassador. The participating Lions, Lioness, and Leos were on their feet, clapping, moving, and "laughing it up", which concluded with a Congo line. If you weren't there, you missed a lively program. Congratulations to PDG Dennis Butz and committee for organizing a successful event!

A good time was had by all.

The 2019 Annual PA Lions Research Seminar

Held on Saturday, September 28th at the Elkins Park Campus of Salus University Pennsylvania College of Optometry. Speakers addressed such topics as regeneration of retinal tissue, gene therapy, and corneal wound healing. Several members of District 14-K attended .

2DVG Debbie Lillegard reports: *PDG Glenn Santee promotes this seminar each year. This was my first year attending the seminar. PDG Glenn was correct, as this was a wonderful opportunity to learn how our Lions' "seed money" is used for eye research projects, and how Lions' contributions enable researchers to subsequently qualify for significant grants. Are you aware the Zebra fish's eyes are most similar to the human eye?*

Lions: Please remember that all Lions clubs, districts and multiple districts that have annual gross receipts of less than US\$50,000 and do not have to file Forms 990 or 990-EZ must file the [e-Postcard](#) (also known as 990-N). **If your Lions club, district or multiple district has a foundation, which is a separate legal entity, the appropriate form will need to be filed as well.**

All filers must register at IRS.gov prior to filing their next Form 990-N. This is a one-time registration if the designated Lion files annually. If the designee changes from a prior year, the new designee must register with the IRS.

Please refer to the following chart regarding annual filing requirements:

2018 Tax Year*	Form to File
Gross receipts normally \$50,000 or less	990-N
Gross receipts greater than \$50,000 and less than \$200,000, and total assets less than \$500,000	990-EZ or 990
Gross receipts \$200,000 or greater or total assets \$500,000 or greater	990

The e-Postcard is due by the 15th day of the fifth month after the close of your tax year. Lions clubs operate on a fiscal year, July 1-June 30, and the e-Postcard is due by November 15 each year. Please note that *an organization cannot request an extension for filing the Form 990-N.*

If you do not file, you risk losing your tax-exempt status. Any Lions club that fails to meet its annual reporting requirement for three consecutive years will automatically lose its tax exempt status. A club may [apply](#) for reinstatement of its tax exemption even if it originally fell under a group exemption.

Every club and/or district (single, sub- and multiple) must have an employer identification number (EIN), even if it will not have employees. The EIN is a unique number that identifies the organization to the Internal Revenue Service. To apply for an EIN, you should obtain a Form SS-4 and its instructions from the IRS. You may also apply for an [EIN online](#), by telephone (1-800-829-4933) or by fax (fax number at the location accepting applications from your state). It is important that clubs and districts use the correct EIN for their annual filing.

For frequently asked questions about tax issues and regulations affecting Lions clubs and leadership, visit the [Lions Tax FAQ](#). Visit www.irs.gov/eo for complete details and to sign up for Exempt Organization's free email newsletter, *EO Update*, to receive up-to-date information posted on the charity pages of irs.gov.
