# Tattle Tailer

OCTOBER 2020

## District Banner Exchange

It's official! The District Banner has been ceremoniously passed from the Emmaus Lions Club, home club of IPDG Lion Don Kaufman, to the Lehigh Township Lions Club, home club of this year's District Governor, Lion Dan Lombardo. The gathering was very well attended, and the dinner buffet was catered by Lorah's Pig Roast followed by a wide variety of homemade desserts. Following the banner exchange, Lion Dan thanked Lion Don for his assistance, spoke of the coming year, and installed Lions to chair executive committees. To date, all the District Governor's visitations have been able to be in person – socially distanced, of course – and he is looking forward to many more such visits this year.

## District Governor's Message

The first day of Autumn got off to a great start with our Banner Exchange at Indian Trail Park. We had 66 Lions attend for a night of great food and Lion fellowship. This followed up the Cabinet meeting in August with a similar attendance and a wonderful meal provided by our IPDG Don and Lion Cindy Kaufman. It's great to see Lions beginning to meet in person again. In fact, my visitations to date have all been in person and not virtual.

However we meet, the point is to meet. Zoom is necessary for large events, but if possible and following guidelines to stay safe, nothing can compare to meeting in person. Let's look through the newsletter and look to support the other Clubs in our District as they begin to fund raise again. Donate to the Food Bank. If you can, look to volunteer there.

Keep service in the forefront. We have been asked to donate to the Louisiana Lions Clubs following the hurricane. There is a list of what is needed including any monetary amount you can afford.

As Lions, we will get through this. We will be stronger for it.

Yours in Lionism,

District Governor Dan

## Greetings Lions, Lioness and Leos,

Wasn't it great to be together September 22 for a successful BANNER EXCHANGE, honoring IPDG Don Kaufman and DG Dan Lombardo! We are thankful for both their leadership, service and dedication to District 14K. We had a great turnout at Indian Trail Park in Northampton while social distancing. Thanks to the plentiful BBQ and desserts, no one went home hungry. For a brief moment, it felt as everything was "normal and business as usual" ... *don't we all wish?*

Another three months passed and we are still amid Covid-19. Hopefully clubs are dealing with these times and making lemonade out of lemons. Some clubs have not met since March 2020 which is very unhealthy for the club and members. So many of our normal fundraisers were cancelled, but clubs ARE finding other ways to meet and hold alternative fundraisers. Lions know there is a need for service and are thinking "outside of the box" to make a difference in our communities. Many of you are now very adept at attending Zoom meetings and find it efficient mode of communication.

We are in the beginning of the North American Member Initiative. Even though we are limited on meeting sizes and locations, the positive is we can still talk to non-members about becoming a members and begin rejuvenating our clubs. Thank you to the clubs who are bringing on new members despite all this pandemic confusion.

I'd like to give Lower Lehigh Lions a "shout out" of congratulations for obtaining a **\$10,000 grant!** (From a casual conversation of how their club was struggling financially and lack of funding sources during Covid-19, to the message not falling on deaf ears, their club became the recipient of this large grant. *What a windfall!*)

Perhaps many of you took the opportunity to participate in the Virtual USA/Canada Lions Forum, held 9/25-27. I hope so! There were many wonderful seminars and opportunities to learn something new within Lionism. One of my favorite seminars was "*How do we Approach the Younger Generation?*" Two reminders:

1. The scheduled Sessions and Seminars are available at [www.LionsForum2020.org](http://www.LionsForum2020.org) via the "On Demand Video" tab in the top blue bar through December 24<sup>th</sup> for those who registered.
2. Important - If you are enrolled in either the Bachelor's or Master's program, you have until the **October 11<sup>th</sup> deadline** to take a short quiz to be given credit for attending this seminar. Log into [www.LionsUniversity.org](http://www.LionsUniversity.org).

Vice District Governors are really missing our VDG Trainings. We are scheduled to be together in person socially distancing on Oct 31. Hopefully there will be no tricks, only treats!

Stay well!

*Debbie Lillegard*

## ***Message from 2VDG Kathy Duelley***

Hello fellow Lions, Lioness, and Leo's,

It sure has been a busy month! The most fun and exciting thing that happened was the Banner Exchange. Thanks to all who came out to celebrate IPDG Don and current DG Dan. The food was fabulous and the Lions company even better! Look in this issue of the Tattle Tailer to see some pictures. And remember to send anything that your club participates in to the Tattle Tailer at [lions14k.news@gmail.com](mailto:lions14k.news@gmail.com).

Second to that was the USA/Canada Lions Forum!

This was the first forum that I attended and it was really worth the time and the \$20 spent to attend virtually. The workshops presented were full of great information and ideas on how to grow our clubs. Appealing to our younger generation is the best way to grow our clubs and our District. I know they are busy but they are also willing to help their communities. Reach out to family members and their friends and ask if they know what Lions are about.

Our partner Lions District in Louisiana needs our help to help others affected by the terrible hurricane that occurred a few weeks ago. Please see the letter included in this Tattle Tailer for details. If each club in our District 14-K could donate even a small amount it will help a great deal.

Just a reminder that the Coffee Mugs for Veterans service project is still going on until mid-November. If your club is participating, please contact me at [kathyduelley@gmail.com](mailto:kathyduelley@gmail.com) or 484-802-2386 and I will be happy to pick up your filled mugs at each clubs designated location. I would like to deliver the mugs to the VA before Thanksgiving. Thanks for helping with this simple service project!

Meetings attended:

August 16 - District 14-K Cabinet Meeting at Moore Township pavilion

Sept 21 - Charitable Enterprises meeting

Sept 22 - Banner Exchange

Sept 25, 26,27 - Lions USA/Canada Forum

Yours in service,

Kathy Duelley

2nd Vice District Governor

I received a call for help from MD-14 Disaster Chairperson Lion Jim Groff. The Lions of Louisiana need supplies because of the hurricane a couple of weeks ago. Below is a list of items that have been requested by DG Gerard Credeur, Jr. He is governor of District 8-O.

What we are asking for your willingness to help out with these items. When we have the items, they will be shipped in one of our wrapped trailers to his district. Here are some guidelines:

Some updates:

Lion Jim Groff has around 1075 12 x 12 boxes and the State office has around 450 boxes. They will ship the boxes but ask that you help with the cost.

The boxes should be sealed and contents labeled.

Items that don't fit in the boxes should be bundled together such as mops.

There will be 3 pickup locations to help the trucking company. Where and when has not been determined as yet, but help will be needed at each of the spots.

Financial donations can be made either at LCIF or the Lions of Pennsylvania Foundation. Please write on the memo line Louisiana Hurricane

Please keep a record of what your district collects and send that to me. Be sure your clubs report this service in MyLion and I will report the totals for the State.

On behalf of the Lions and people of Louisiana, Lion Jim and I thank you from the bottom of our hearts.

## **CHARITABLE ENTERPRISES AFFORDABLE HEARING AID PROGRAM**

Lions have always done a great job recycling eyeglass lenses and frames.

Now, in conjunction with **District 14-K Charitable Enterprises** and the generous efforts of a local audiologist, Clubs will be collecting and recycling **used hearing aids**, along with eyeglass frames and lenses.

The hearing aids do have a limited salvage value, the proceeds of which can then be applied in the **Affordable Hearing Aid Program** initiative offered through District 14-K Charitable Enterprises.

Please consider creating a **Hearing Aid Recycling collection box** (see below) and place it at the sites already being used to collect eyeglasses. A separate receptacle will make it easier for your Club to separate the eyeglass items from the hearing aids.

We are asking that any hearing aids you collect be separated from the eyeglasses and brought to the District Convention in April, where they will be processed by Charitable Enterprises Hearing Committee members and prepared for salvage conversion.

**We will not be accepting any single, loose hearing aid batteries.**

Please recycle them appropriately.

We **will** accept **new** batteries in unopened, intact packages.

Please contact Lion Tom Lindeman (tomlindylion@gmail.com) for further information or support.

Thanks for your support in this endeavor!
