

## DISTRICT 14K RALLY

District 14K Rally was held on Thursday October 25<sup>th</sup> at Salem UCC in Bath. Most clubs in the District were in attendance. Dinner consisted of baked ham, chicken, mashed potatoes, green beans salad and rolls. A special treat of strawberry shortcake was served for dessert.

Our very own District Governor Dan Lombardo, (aka Fred Flintstone, aka Thor) was master of ceremonies. DG Dan's theme speaks of how Lions are superheroes and spoke on the importance of looking forward instead of the past. The guest speaker was Lion Dennis Zehner from Sights for Hope.

We had a very nice turn out to support "DG Dan for life".

## US/CANADA LIONS FORUM

District 14K had a fantastic showing at the US/Canada Lions Forum. There were 10 Lions in attendance at the Atlantic City forum.

They had so many learning sessions for opportunities to gain insight on new different ways to serve communities.

Several are listed below:

-Attend public meetings in your community to learn of the needs in the community.

-Think of how to create a family space so parents and children can attend together.

-Create your own service tour by traveling to other clubs service projects to help.

-Hold a meeting to invite a representative from the public service groups, municipal, fire, police, library, school, chambers.

-Hold a meeting with hospital and mental health leaders to find what needs are

-Attend community events to build trust with community members.

So many other ideas were shared. It was well worth the time to attend this event. I would be happy to come to your club and share with your club other ideas and help you plan an event.

"Lions are Superheroes" seems to be a running theme this year!

## Lions Clubs International FOUNDATION

Thank you to individuals and clubs whose donations this quarter totaling \$4,541.02.

Your donations are appreciated!

*Do you know ..*

*...over 820 million people in the world don't have enough food to eat?*

*...45% of children under the age of five die from nutrition related causes?*

*...in the United States alone, one in nine people suffer from hunger?*

*...Lions Clubs International Foundation (LCIF) offers grants to Lions Districts ranging from \$10,000-\$100,000 to aid in eliminating Hunger?*

Hunger issues are increasing steadily, and LCIF Hunger Grants can be used to support school feeding programs, food banks, feeding centers, and other hunger related supports. Hunger is a complicated challenge in that despite global production being sufficient to feed the entire population, chronic hunger remains a chronic problem. With political and economic instability, rising food and energy prices and climate change all being contributing factors, one fact remains prevalent—Hunger related challenges are urgent and cannot be ignored.

Your support of LCIF through your individual and club donations make these grant opportunities possible to help those who are experiencing food insecurities. If you have any questions, please reach out to PDG Debbie Lillegard, 14K LCIF Coordinator or research the LCIF website for more information.

*District Governor's Message*

DG Dan Lombardo, Lehigh Township Lions Club

Hello Fellow Lions of District 14K,

The month of September was a busy month. I want to thank everyone that made the Rally a success! I have started my District Governor visitations. As I mentioned at the Rally, I would like to assist with at least one Fundraiser/Event held by the Clubs this year. I assisted at the Mountainville Club's Sights for Hope boat outing sponsored by the Mountainville Club previously, but helped out this month at the West Lehigh "Night in the Country" and Bath Lion's Community days. I will be helping the Kuhnsville Club with their Chicken BBQ this Saturday morning and the Richmond Lion's Fish and Chips dinner Saturday night at the Washington Twp. Fire Company. I'll be at my Club for Dreams come True Sunday. I'm also trying to attend some of the Club's fundraisers as a participant. Unfortunately, it's difficult when you are still working full time. The goal of this is to show the District Governor as someone who is there to help in any way, encourage Clubs to work together and let every Lion know how special you are to your Community.

As Thor stated, you are all Superheroes! We will not go the way of the DoDo bird as Fred Flintstone did with the Order of the Water Buffalo..

Thank you for all you do!  
DG Dan
